

2018 International Fire Code (IFC)

CHAPTER 1 SCOPE AND ADMINISTRATION

[A] 105.2 Application.

Application for a permit required by this code shall be made to the *fire code official* in such form and detail as prescribed by the *fire code official*.

[A] 105.2.1 Refusal to issue permit.

If the application for a permit describes a use that does not conform to the requirements of this code and other pertinent laws and ordinances, the *fire code official* shall not issue a permit, but shall return the application to the applicant with the refusal to issue such permit. Such refusal shall, where requested, be in writing and shall contain the reasons for refusal.

[A] 105.2.2 Inspection authorized.

Before a new operational permit is approved, the *fire code official* is authorized to inspect the receptacles, vehicles, buildings, devices, premises, storage spaces or areas to be used to determine compliance with this code or any operational constraints required.

[A] 105.2.3 Time limitation of application.

An application for a permit for any proposed work or operation shall be deemed to have been abandoned 180 days after the date of filing, unless such application has been diligently prosecuted or a permit shall have been issued, except that the *fire code official* is authorized to grant one or more extensions of time for additional periods not exceeding 30 days each. The extension shall be requested in writing and justifiable cause demonstrated.
