To Whom It May Concern:

This is to inform you that **PRELIMINARY** approval has been given and the Taylor West Weber Water District (the "District") has the capacity to provide **only** culinary water for Anselmi Acres subdivision consisting of 37 lots. By means of a 10" water line on 4300 W. The property is located near 4300 W 1400 S. Taylor UT

A pressurized secondary water system must be working and homes in this subdivision must use Hooper Irrigation for pressurized secondary water for outdoor watering. An escrow must be set up for both the culinary and secondary water infrastructure and escrow should only be released upon approval from the District. A **signature block** must be included on the final mylar plat and must be signed by a certified representative of the District prior to recording with the Weber County Recorder. The District's specifications and standards must be followed in all installation procedures.

Requirements:

- Plan review fee= \$100 per lot (\$3,700.00)
- Water rights impact fee= \$1,078.00 Per lot. (\$39,886.00) Must be paid before construction is started.
- Secondary Water= Must use Hooper Irrigation for a pressurized secondary water system and it must be operational before building permits are issued.
- Impact fee=\$6,350.00 per lot this fee will be collected at the time building permits are requested. This fee includes the cost of the meter.
- The District reserves the right to make or revise changes as needed or as advised by the District's engineer or the District's attorney.

FINAL APPROVAL AND SUBDIVISION APPROVAL MUST NOT BE ISSUED UNTIL APPROVAL IS GIVEN BY TAYLOR WEST WEBER WATER. Water right and plan review fees must be paid before approval for construction of the water infrastructure is given. This letter expires six months from the date it is issued.

Expires 5/15/2022

Sincerely, 

Ryan Rogers – Manager
