

Taylor West Weber Park District

January 9, 2023

To Whom it May Concern,

Pat Burns, on behalf of Lync Construction (the "Developer"), appeared before the Board of Trustees of the Taylor West Weber Park District (the "District") in an open and public meeting and proposed a donation to the District as part of its development of the **Smart Fields Subdivision** located within the District boundaries (the "Subdivision").

The District will accept from the Developer a donation of \$2,000 per lot in the Subdivision. Alternatively, the Developer may provide park development services to the District that, at fair market value, is equal to the donation. This donation will help the District provide parks and recreational services to the Subdivision and surrounding communities.

In exchange for the donation, the District hereby declares its support of the Subdivision and the proposed rezone for the Subdivision. This declaration is only valid to the extent that it satisfies Weber County's conditions for the rezone and the County's associated development agreement. If the Developer does not provide the donation to the District, then the District withdraws its support of the proposed rezone for the Subdivision.

This letter does not contractually bind the Developer to provide the Donation to the District. Rather, it is a commitment from the District that, if the Developer provides the donation to the District, the District will support the Developer's proposed Subdivision and associated rezone.

Sincerely,

A handwritten signature in blue ink that reads "Roger Heslop".

Roger Heslop, Chair
