Approved: Yes

Notes

This property has an approved septic system that was installed in 1981 and is served by culinary water. No further evaluation is required from our office for this project. See attachment for as-built drawing.

WEST WARREN-WARREN WATER IMPROVEMENT DISTRICT
5783 W 950 N
WARREN, UTAH 84404
801-731-1702
www.westwarrenwtr@gmail.com

On Behalf of Ryan Rogers

January 21, 2014

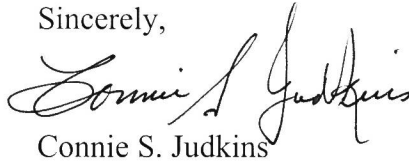

To whom it may concern:

There is a culinary water connection located at the address of 6405 West 700 North in West Warren, Utah, the residence of the Ryan Roger's family. This is a viable connection that has been in use at this location for several years with uninterrupted service.

The West Warren-Warren Water Improvement District will continue to supply culinary water for this address.

Should you have questions of concerns, please call the district clerk at the above listed phone number.

Sincerely,

A handwritten signature in cursive script that reads "Connie S. Judkins". The signature is written in black ink and is positioned above the printed name.

Connie S. Judkins

District Clerk
