

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Ogden Valley Planning Commission will hold a public hearing on **April 25, 2023**. The meeting will begin at **5:00 PM** and will be held in the **County Commission Chambers, 1st Floor, Weber Center, 2380 Washington Blvd., Ogden, Utah**. The hearing is regarding the following:

- Public hearing to discuss and/or take action on a county-initiated application to amend the Weber County Land Use Code to help implement the new Western Weber General Plan. These changes affect parts of county code that also pertain to the Ogden Valley Planning Area. Specifically, the amendments that affect the Ogden Valley Planning Area pertain to processes, standards, requirements, and/or restrictions regarding the following subjects: amending provisions for connectivity-incentivized subdivisions; amending regulations for flag lots; changing rezone application requirements; adding shared private lane and private street provisions; reorganizing provisions that pertain to development on substandard streets; providing new street access and street design and right-of-way standards; amending access to land-locked parcels and access to a lot or parcel other than across the front lot line; amending the dark sky committee composition; and providing other related clerical and administrative edits to enable the proposed amendments.
- Public hearing to discuss and/or take action on an application to amend the Form-Based zone. The subject amendments pertain to processes, standards, requirements, and/or restrictions regarding the following subjects as they apply to property in the Form-Based zone: creating a new street type to be used in street regulating plans and the associated amendments; adjusting short-term rental use allowances in the Form-Based zone to reflect the recently adopted short-term rental ordinance; regulating front-facing garage doors on narrow lots; regulating front yard setbacks and setbacks for accessory buildings; reducing the maximum height allowance in the zone; adding a typical 3-lane village street design; amending mid-block access and crossing requirements; inserting graphics to help illustrate standards; creating pathway location, connectivity, and design standards; standardizing line work, symbology, and colors for all maps, and providing for the new street type; amending process and standards related to transferable development rights; amending workforce housing requirements to reduce requirements for workforce housing, eliminate them from larger-lot developments, set a maximum amount of workforce housing allowed per development, and restrict where workforce housing can be located; and providing related clerical and administrative edits to enable these amendments.
