Prdinance Proposal rdinance to be Amended 04-21-3 escribing the amendment and/or proposed changes to the ordinance: de are requesting that the use of "Critical Infrastructure Facility" (Data Center, Data Warehousing, Data Processing, etc.) be explicitly stated as a permitted use the Land Use Table for the Manufacturing and Technology (M-T) zone. This use is in conformance with the purpose of the M-T zone, which is to "provide for an accourage the development of well planned and designed technological and manufacturing parks." The believe that Critical Infrastructure Facilities would fall under the theme of "research, development,processing, storage, warehousing" and the permitted use of "Light Office/Warehouse Combination" and "Research and Development Facilities" as outlined in the current M-T zoning language. However, to provide creased clarity to potential tenants and in an effort to avoid confusion in future, we are requesting that the use of "Critical Infrastructure Facility" be stated		Fax	1957 (12000 11), (41) (16)	7101
