RE: **AVAILABILITY LETTER** – Orchards at JDC Ranch Phase 1 & Villas at JDC Ranch Phase 1

The development is located at approximately 2800 West 2600 North in Weber County consisting of 174 lots.

This letter is **ONLY** to state that the above named project is in the boundaries of the Bona Vista Water Improvement District and water will **ONLY** be available under the following conditions:

- The property is annexed into the District, if necessary.
- The subdivision utility plan is reviewed and approved by the District.
- Review fees are paid to the District.
- Proof of Secondary Water is provided to the District.

The non-refundable fee for the plan review is \$450 plus \$75 per lot and includes running one fire flow model. We consider this fee to be minimal and is only to cover the cost of review by the District administration, inspectors, and the District Engineer. If additional models are requested, supplementary fees will be required. Only the phase in consideration is guaranteed service, and the plan review is good only for a period of one year from the date of the will serve letter, if not constructed.

Furthermore, the District's responsibility is to provide flow and pressure to the development. The Developer and his Engineer are responsible to provide proper flow and pressure throughout the development. This may require some over-sizing within the development, as determined by the District.

This letter is the first of two letters that will be issued for this development. Following the acceptance of the above conditions the District will issue the "Will Serve" letter.

This subdivision, like all other subdivisions, must have a secondary water system for all outside irrigation usage. Prior to the District accepting connection fees, the owner or developer must furnish proof of secondary. If you have any questions please call 801-621-0474, ext 207.

Sincerely,

Matt Fox  
Assistant Manager
