RE: Howard Industrial Park Subdivision
County File # LVL070822

Dear Mr. Burton,

We have been notified by the Frontier system that the Howard Industrial Park Subdivision application is about to expire:

Reminder Date 10/6/2023

This subdivision application for preliminary and final approval expires on November 8 2023

Given the tremendous amount of time that Howard Industrial has waited for review comments from county staff, we request the following:

- Please grant an extension for the existing application to allow time for the staff departments to complete their review and for any responses that may be needed from the applicant.
- Please request that staff departments complete their reviews within 30 days after submittal by applicant.

Sincerely,

S. Scott Carlson
