## **SPECIFIC COMMENTS:**

1. It is understood that there is no construction taking place on the proposed lot at this time, and that this review is for the subdividing of the property only. Prior to any construction taking place, an additional review will be required to ensure compliance with fire codes.

Every effort has been made to provide a complete and thorough review of these plans. This review does not relieve the owner, contractor and/or developer from compliance with any and all applicable codes and standards. Any change or revision of this plan will render this review void and will require submittal of the new or revised layout for fire department review.
