Time limitation for plat recordation. A subdivision plat shall be recorded in the Office of the County Recorder within one year of final approval by the Land Use Authority. After that, the plat shall have no validity. Subdivisions with multiple phases must record a new phase within one year from the date the previous phase being recorded until the subdivision is completed or the plat shall have no validity. The planning director may grant a one-time extension for final subdivision approval, for a maximum of one year. A multiple phase subdivision may receive only one time extension, not one time extension per phase. One additional time extension may be granted if the hardship is determined to be a county caused delay.
