Dan,

For the WCWSID, we had a pre app meeting and discussed the project. Please use this email as pre app meeting notes.

For Scott Guinn, yes lets set something up. I'm free this week, does Thursday afternoon or Friday morning work for you guys? I can send out a zoom link or we can have the meeting in person, please let me know what you'd prefer.

Thanks,
Steve

Hello, Steve. Just checking in on this project. Scott Guinn from AECOM was also wanting to have a pre-meeting regarding the reuse pond for Wolf Creek WSID, and I'd like to be part of that, too, as we are designing a pump station at the toe of the dam they're designing.

Thank you,

Steve, did you send us your notes from this pre-application meeting (attached coordination email)? I'm not finding them.
