The meetings will be an open house-style workshop. Both will have the same information. Come to one or both – your choice. There will be four stations of various topics and ideas that people will rotate through. We anticipate each station will take somewhere between 10 and 20 minutes, depending on the interest of the person. You will have ample opportunity to ask questions and leave comments.

Whether or not you can make it to the meetings, please visit www.valleyplan.com for more information on the project. Check it regularly for project updates. Leave comments and concerns. Also, take note of the Instagram hashtags: #ValleyPlanLove and #ValleyPlanLeave for an innovative way to express your likes and dislikes of past, current and future Ogden Valley matters.
