Weber County Land Use Code Title 108 (Standards) Chapter 12 (Noncomplying Structures and Nonconforming Uses/Parcels)

#### Legislative Decisions

When the Planning Commission is acting as a recommending body to the County Commission, it is acting in a legislative capacity and has wide discretion. Examples of legislative actions are general plan, zoning map, and land use code amendments. With legislative actions it is required that the Planning Commission give a recommendation to the County Commission. Typically, the criterion for providing a recommendation on a legislative matter suggests a review for compatibility with the general plan and existing ordinances.

#### **Background**

The Engineering Department is currently working with the public along 3500 West and 12th Street to initiate a public right of way expansion of both roads. The expansions will take the front portions of the parcels that front these streets. The amount taken depends on a myriad of factors, such as the current right of way width, necessary road appurtenances, and proximity to intersections of streets and canals. A special ordinance is necessary that allows lots made noncompliant to current zoning standards to be considered a legal, nonconforming status. This will help clarify in the law that the current occupancy, use, and the right to initiate new uses, as may be allowed by the zone, may be continued on properties that drop below the zoning standards.

In the process of vetting language to enable this, staff found other areas of the code related to nonconforming parcels that need additional clarity. Under historic best management practices, and in model ordinances used throughout the country, the nonconforming use and noncomplying structures ordinance is intended to ensure that the right to continue existing uses and structures are vested throughout time, and are protected from zoning changes or standards changes presented by new ordinances (often referred to as "grandfathered"). However, the original intent of such an ordinance is to make the changes or modifications of nonconforming uses and structures so restrictive that future land owners are more motivated to eliminate the nonconformity and comply with new ordinance standards (achieved by reconfiguring property and/or tearing down old structures). This intent was a method of advancing the purposes of new ordinances, which were presumably enacted to better the health, safety, and welfare of the public.

In Weber County, such restrictiveness has not prevailed. Even though the framework of Chapter 108-12 Noncomplying Structures and Nonconforming Uses/Parcels appears to follow the framework of historic model ordinances, the chapter has been amended to be more permissive regarding the modification of noncomplying structures. It has also been amended with provisions on how to treat nonconforming lots, giving leniency to those lots created in a manner that did not comply with previous subdivision codes. Essentially, what this does is gives a grant of amnesty from subdivision requirements for these lots. The County does this for three reasons:

- 1. It some cases it is difficult to determine what laws were in effect at the time, and whether they complied with state laws of the time.
- 2. It is difficult to tell whether the County has consistently and fairly applied those laws to all people/properties.
- 3. It is politically unpalatable to penalize a successor for violations that were created by a prior owner.

These provisions are not proposed to be removed, but they are being revised to provide clarity.

#### **Policy Analysis**

To provide for lots affected by public right-of-way expansions, Staff proposes the changes that can be found in the attached Exhibit A proposed code change, Section 108-12-15. Along with this new code section, a notice document has been created that will be recorded on the properties affected by right of way expansions. This notice will give current and future property owners notice of the new ordinance, and provide clarity in the record that their right to existing and new uses on the property will not be affected by the right of way expansion. This notice is provided in Exhibit B. The notice is not part of the text amendment.

Regarding unplatted properties, the changes proposed in Exhibit A, under Section 108-12-11, maintain the flexibility of the current ordinance whilst also providing clarifications. One primary difference in the proposal that deviates from the historic standard of practice is the modified definition of "Lot, nonconforming," in Section 101-1-7. Current ordinance only lists that zoning area and zoning width standards may make a lot nonconforming. The new definition specifies that all applicable lot standards are to be considered when evaluating whether a lot is nonconforming. The significance of this change is this: lot standards may be found in various places in the code, including the zoning ordinance and the subdivision ordinance. If a lot is legally created or modified under the lot standards of any land use code requirement at the time and any of those lot standards are later changed, then the lot is considered nonconforming as it relates to the changed lot standard, whatever that standard may be. The proposed definition is no longer limiting to zoning area and zoning width standards.

Because this change parts ways with historic application of this ordinance, both within Weber County and elsewhere, staff consulted with the Weber County legal team and the Office of the Property Rights Ombudsman to ensure the philosophy is keeping with the goal of maintaining a supportable and defensible code.

This new distinction is only important insomuch as nonconforming lots are treated differently from conforming lots. Staff has searched the code for all references to nonconforming lots and cannot find any reference that this change may negatively affect.

## **Conformance to the General Plan**

Legislative decisions should be considered through the lens of policy perspectives provided in the General Plan. A review of the general plan documents returned little specificity on the subjects. However, the transportation element of both

townships' current general plans provide recommendations regarding sufficient vehicular transportation facilities<sup>1</sup>, and this proposal helps support that.

#### **Past Action on this Item**

The Western Weber Planning Commission reviewed the proposal in a work session on November 18, 2014. The Ogden Valley Planning Commission reviewed the proposal in a work session on January 27, 2015. No action was taken in either meeting.

#### **Noticing Compliance**

A hearing for this item before the Planning Commission has been posted for public notice in compliance with UCA §17-27a-205 in the following manners:

- Posted on the County's Official Website 10 days in advance of the hearing.
- Posted on the Utah Public Notice Website 10 days in advance of the hearing.
- Published in a local newspaper 10 days in advance of the hearing.

#### **Staff Recommendation**

Staff recommends approval of the text included as Exhibit B and Exhibit C with the following findings:

- 1. The additions will provide property owners affected by the expansion of a public right-of-way the protections of a nonconforming status that fall below zoning standards as a result of the expansion.
- 2. The additions provide property owners with an equitable balance to an issue caused by the County's acquisition of a portion of their land for public purposes.
- 3. The clarifications are not detrimental to the health, safety, and welfare of County residents.

The Planning Commission's decision should be made as a recommendation to the County Commission. A model motion is provided below.

## EXHIBIT A: SUMMARY, LIST, AND KEY TO PROPOSED CHANGES

- 1 The following code changes are being proposed due to several planned public right of way expansion
- 2 projects that may cause some lots to lose area and drop below the minimum lot standards of the
- 3 applicable zone. During routine review of related code sections, staff found the need for greater clarity
- 4 throughout, and are proposing such changes here.
- 5 <u>This change addresses the following sections:</u>
- 6 Sec 101-1-7. Definitions:
- 7 Lot, nonconforming
- 8 Lot of record (lawfully created lot)
- 9 Noncomplying structure
- 10 Nonconforming lot or parcel
- 11 Nonconforming sign
- 12 Sec. 108-12-10. Legal use of nonconforming lots

97	Sec. 108-12-15. Effect of Public Right of Way Expansion.
98	Sec. 108-12-1. Purpose and intent.
99	The purpose and intent of this chapter is to provide standards for the development
100	and use of noncomplying structures and, nonconforming uses, <u>and nonconforming</u>
101	lotsparcels. These structures, uses, and lots parcels are considered legal, despite not
102	meeting the current requirements of the zone in which they are located.
103	Sec. 108-12-2. Maintenance, repairs, and alterations.
104	(a) Maintenance, repairs, and structural alterations may be made to noncomplying structures
105	on lots of record.
106	(b) Dwellings or other structures built on lots or parcels which were once legal, but have
107	since been made illegalmodified in a manner that is in violation of applicable laws, shall
108	not be issued land use or building permits, unless the structure is being strengthened or
109	restored to a safe condition, or the lot or parcel is made to conform to current zoning
110	regulations. In restoring the structure to a safe condition, no expansion of the structure is
111	allowed.
112	Sec. 108-12-3. Additions and enlargements.
113	(a) A structure which is occupied by a nonconforming use shall not be added to or expanded
114	in any manner, unless such expansion is made to conform to all yard and use regulations
115	of the zone in which the structure is located.
116	(b) A noncomplying structure (main or accessory) shall not be added to or enlarged in any
117	manner, unless such addition or enlargement conforms to all the regulations of the zone
118 119	in which it is located, or conforms to the reduced yard setbacks as allowed in section 108-12-13
120	(c) A legally constructed dwelling or other structure on a lot of record, which has yard
121	setbacks that are less than the required yard setbacks for the zone in which it is located,
122	shall be allowed to have an addition, provided that:

123	(1) The addition does not encroach into the required yard setbacks further than the
124	existing dwelling or other structure; and
125	(2) The addition is located completely on the same property as the existing structure
126	and does not encroach into a road right-of-way or on to adjacent property.
127	(d) A legally constructed dwelling or other structure on a lot of record, which is located within
128	a stream corridor setback (as defined by the Weber County Land Use Code
129	sections 108-7-23 and/or 104-28-2, shall be allowed to have an addition(s)may be added

136	(3) The addition does not encroach into the required yard setbacks further than the
137	existing dwelling or other structure.
138	Sec. 108-12-4. Alteration where parking insufficient.
139	A structure lacking sufficient automobile parking space as required by this chapter
140	may be altered or enlarged, provided additional automobile parking space is supplied to
141	meet the requirements of the Weber County Land Use Code.
142	Sec. 108-12-5. Moving noncomplying structures.
143	A noncomplying structure shall not be moved in whole or in part to any other location
144	on a lot <u>or </u> parcel, unless every portion of such structure is made to conform to all
145	regulations of the zone in which it is located, or made to conform to the reduced yard
146	setbacks as allowed in section 108-12-13.
147	Sec. 108-12-6. Restoration of damaged buildings.
148	A noncomplying structure which is damaged or partially destroyed by fire, flood,
149	wind, earthquake, or other calamity, act of God, or the public enemy, may be restored and
150	the occupancy or use of such structure or part thereof, may be continued or resumed,
151	provided that such restoration is started within a period of one year, by obtaining a land use
152	permit, and is diligently pursued to completion.
153	Sec. 108-12-7. One-year vacancy or abandonment.

Page 5 of 12 DRAFT Version: 2/20/2015 5:31 PM

154	(a) A legal structure, or portion thereof, which is occupied by a nonconforming use, and
155	which is or hereafter becomes vacant and remains unoccupied for a continuous period of
156	one year, except for dwellings and structures to house animals and fowl, shall not
157	thereafter be occupied except by a use which conforms to the use regulations of the
158	zone in which it is located. Wherever a nonconforming use has been discontinued for a
159	period of one year, such use shall not thereafter be re-established and any future use
160	shall be in conformance with the current provisions of the Weber County Land Use Code.
161	(b) Any building or structure for which a valid building permit has been issued and actual
162	construction was lawfully begun prior to the date when the structure became
163	noncomplying, may be completed and used in accordance with the plans, specifications
164	and permit on which said building permit was granted. The term "actual construction" is
165	hereby defined to be the actual placing of construction materials in their permanent
166	position, fastened in a permanent manner, actual work in excavating a basement or the
167	demolition or removal of an existing structure begun preparatory to rebuilding; provided
168	that in all cases actual construction work shall be diligently carried on until the completion
169	of the building or structure involved.

#### 170 Sec. 108-12-8. Change of use.

171 The nonconforming use of a legal structure may not be changed except to a 172 conforming use. Where such a change is made to a conforming use, the use shall not 173 thereafter be changed back to a nonconforming use.

#### 174 Sec. 108-12-9. Expansion of nonconforming use.

A nonconforming use may be extended to include the entire floor area of the existing
legal structure in which it was conducted at the time the use became nonconforming,
provided, however, that a certificate of occupancyLand Use Permit is first obtained for such
extension of use.

179 Sec. 108-12-10. Legal use of-<u>nonconforming lotsparcels</u>.

(a) Any legally created lot and/or parcel of land, which existed prior to adoption of the 180 181 Weber County Land Use Code/Zoning Map may apply to develop any of the permitted or conditional uses for which the lot and/or parcel qualifies, in the zone where the lot and/or 182 183 parcel of land is located. In Western Weber County, the 1962 ownership plats are used as the legal reference point, and in the Ogden Valley, the 1966 ownership plats are used as the 184 185 legal reference point. 186 <del>(b)</del> Any legally created lot and/or parcel of land which existed prior to the adoption of the 187 Weber County Land Use Code or an amendment to the Land Use Code, but which may now 188 require a different lot area or lot width/frontage, may apply to develop any of the permitted or

191	Development on a nonconforming lot is permitted. Development on a nonconforming lot	
192	is limited to only those permitted and conditional uses allowed on the smallest minimum lot size	
193	for the applicable zone. A new use on a nonconforming lot is prohibited if the proposed use	
194	requires a lot size larger than the smallest lot size permitted in the zone. A legally established use	
195	may continue on a nonconforming lot regardless of the lot size requirements of the use.

199	All lots and parcels shall be platted as part of a subdivision in conformance with the	
200	requirements of Title 106 of this Land Use Code, unless otherwise exempted by State Code	
201	or this Land Use Code. The platting of nonconforming lots, and the amendment to a platted	
202	subdivision containing nonconforming lots are governed as follows:	
203	(a) The following rules govern the treatment of unplatted lots: Any unplatted lot that was	
204	created in conformance with the lot standards in effect at the time of the lot's creation	
205	and, because of subsequent changes to the Land Use Code does not conform to the	
206	current lot standards and, regardless of whether it conformed with the requirements of	
207	the subdivision code in effect at that time, shall be governed as follows:	
208	(1) If the existing lot can be defined as a Lot of Record, as defined in Section 101-1-7,	
209	the lot shall be exempt from subdivision platting requirements.	
210	(2) If the existing lot was created prior to July 1, 1992, contained a single family dwelling	
211	unit constructed prior to July 1, 1992, and complied with the standards of the zone in

215	(3) If the existing lot was created prior to July 1, 1992, and does not qualify for the	
216	provisions of subsections (a)(1) or (a)(2), then the lot shall be platted in accordance	
217	with Title 106 of this Land Use Code, and the following:	
218	a. Required lot width and area standards may be reduced to the width and area of	
219	the lot as it existed prior to July 1, 1992.

292	considered nonconforming parcels;	
293	c. The combination was done by the current owner or same owner acting as	
294	trustee, and was done by a quit claim, combination form, or other instrument, which	
295	states the consolidation of parcels is for tax purposes;	
296	d. No new lots are being created;	
297	e. The separation of parcels results in a configuration consistent with the	
298	original parcels and conforms to the ordinance that was in place prior to the recording	
299	of the combination form; and

28 29	Sec. 101-1-7. Definitions.			
30	Lot, nonconforming. The term "nonconforming lot" means a lot or parcel that complied			
31	with lot standards in effect at the time of the lot's creation and, because of subsequent changes to			
32	the Land Use Code, does not conform to the current lot standards. Applicable standards include			
33	lot standards of the zone in which the lot is located, lot standards of the subdivision ordinance,			
34	and other lot standards of this Land Use Code.			
35				
36	Noncomplying structure. The term "noncomplying structure" means a structure that			
37	legally existed before its current land use designation and because of one or more subsequent			
38	land use ordinance changes, does not conform to the setback, height restrictions, or other			
39	regulations, excluding those regulations that govern the use of land.			
40				
41	Nonconforming lot or parcel. See "Lot, nonconforming."			
42	Nonconforming sign. See "Sign, nonconforming."			
43	Nonconforming use. The term "nonconforming use" means a use of land that legally			
44	existed before its current land use designation, has been maintained continuously since the time			
45	the land use ordinance regulation governing the land changed, and because of one or more			
46	subsequent land use ordinance changes, does not conform to the regulations that now govern			
47	the use of the land.

## 89 Sec. 108-12-1. Purpose and intent.

90The purpose and intent of this chapter is to provide standards for the development91and use of noncomplying structures, nonconforming uses, and nonconforming lots. These92structures, uses, and lots are considered legal, despite not meeting the current requirements93of the zone in which they are located.

## 94 Sec. 108-12-2. Maintenance, repairs, and alterations.

- 95 96
- (a) Maintenance, repairs, and structural alterations may be made to noncomplying structures on lots of record.
- 97 (b) Dwellings or other structures built on lots or parcels which were once legal, but have
  98 since been modified in a manner that is in violation of applicable laws, shall not be issued
  99 land use or building permits, unless the structure is being strengthened or restored to a
  100 safe condition, or the lot or parcel is made to conform to current zoning regulations. In
  101 restoring the structure to a safe condition, no expansion of the structure is allowed.

## 102 Sec. 108-12-3. Additions and enlargements.

- (a) A structure which is occupied by a nonconforming use shall not be added to or expanded
   in any manner, unless such expansion is made to conform to all yard and use regulations
   of the zone in which the structure is located.
- (b) A noncomplying structure (main or accessory) shall not be added to or enlarged in any
   manner, unless such addition or enlargement conforms to all the regulations of the zone
   in which it is located, or conforms to the reduced yard setbacks as allowed in section
   108 108-12-13
- (c) A legally constructed dwelling or other structure on a lot of record, which has yard
  setbacks that are less than the required yard setbacks for the zone in which it is located,
  shall be allowed to have an addition, provided that:
- (1) The addition does not encroach into the required yard setbacks further than theexisting dwelling or other structure; and
- 115 (2) The addition is located completely on the same property as the existing structure116 and does not encroach into a road right-of-way or on to adjacent property.
- 117(d) A legally constructed dwelling or other structure on a lot of record, which is located within118a stream corridor setback (as defined by the Weber County Land Use Code
- 119 sections 108-7-23 and/or 104-28-2, may be added to or enlarged, provided that:

- 120 (1) The addition does not encroach into the stream corridor setback further than the121 existing dwelling or other structure; and
- 122 (2) The addition meets the yard setback requirements of the zone in which it is
  123 located or conforms to the reduced yard setbacks as allowed in section 108-12124 13; or
- (3) The addition does not encroach into the required yard setbacks further than theexisting dwelling or other structure.

## 127 Sec. 108-12-4. Alteration where parking insufficient.

- A structure lacking sufficient automobile parking space as required by this chapter may be altered or enlarged, provided additional automobile parking space is supplied to meet the requirements of the Weber County Land Use Code.
- 131 Sec. 108-12-5. Moving noncomplying structures.

A noncomplying structure shall not be moved in whole or in part to any other location on a lot or parcel, unless every portion of such structure is made to conform to all regulations of the zone in which it is located, or made to conform to the reduced yard setbacks as allowed in section 108-12-13.

## 136 Sec. 108-12-6. Restoration of damaged buildings.

- A noncomplying structure which is damaged or partially destroyed by fire, flood,
  wind, earthquake, or other calamity, act of God, or the public enemy, may be restored and
  the occupancy or use of such structure or part thereof, may be continued or resumed,
  provided that such restoration is started within a period of one year, by obtaining a land use
  permit, and is diligently pursued to completion.
- 142 Sec. 108-12-7. One-year vacancy or abandonment.
- 143 (a) A legal structure, or portion thereof, which is occupied by a nonconforming use, and 144 which is or hereafter becomes vacant and remains unoccupied for a continuous period of 145 one year, except for dwellings and structures to house animals and fowl, shall not 146 thereafter be occupied except by a use which conforms to the use regulations of the 147 zone in which it is located. Wherever a nonconforming use has been discontinued for a 148 period of one year, such use shall not thereafter be re-established and any future use shall be in conformance with the current provisions of the Weber County Land Use Code. 149 150 (b) Any building or structure for which a valid building permit has been issued and actual 151 construction was lawfully begun prior to the date when the structure became

152	noncomplying, may be completed and used in accordance with the plans, specifications				
153	and permit on which said building permit was granted. The term "actual construction" is				
154	hereby defined to be the actual placing of construction materials in their permanent				
155	position, fastened in a permanent manner, actual work in excavating a basement or the				
156	demolition or removal of an existing structure begun preparatory to rebuilding; provided				
157	that in all cases actual construction work shall be diligently carried on until the completion				
158	of the building or structure involved.				
159					
160	The nonconforming use of a legal structure may not be changed except to a				
161	conforming use. Where such a change is made to a conforming use, the use shall not				
162	thereafter be changed back to a nonconforming use.				
163	Sec. 108-12-9. Expansion of nonconforming use.				
164	A nonconforming use may be extended to include the entire floor area of the existing				
165	legal structure in which it was conducted at the time the use became nonconforming,				
166	provided, however, that a Land Use Permit is first obtained for such extension of use.				
167	Sec. 108-12-10. Legal use of nonconforming lots.				
168					
100					
169	Development on a nonconforming lot is permitted. Development on a nonconforming lot				
170	is limited to only those permitted and conditional uses allowed on the smallest minimum lot size				
171	for the applicable zone. A new use on a nonconforming lot is prohibited if the proposed use				
172	requires a lot size larger than the smallest lot size permitted in the zone. A legally established use				
173	may continue on a nonconforming lot regardless of the lot size requirements of the use.				
174					
175	Sec. 108-12-11. Subdivision plat requirements for nonconforming lots,				
176	exemptions.				
177	All lots and parcels shall be platted as part of a subdivision in conformance with the				
178	requirements of Title 106 of this Land Use Code, unless otherwise exempted by State Code				
179 180	or this Land Use Code. The platting of nonconforming lots, and the amendment to a platted subdivision containing nonconforming lots are governed as follows:				
100					
181	(a) The following rules govern the treatment of unplatted lots: Any unplatted lot that was				
182	created in conformance with the lot standards in effect at the time of the lot's creation				
183	and, because of subsequent changes to the Land Use Code does not conform to the

184 185	current lot standards and, regardless of whether it conformed with the requirements of the subdivision code in effect at that time, shall be governed as follows:		
186	(1) If the existing lot can be defined as a Lot of Record, as defined in Section 101-1-7,		
187	the lot shall be exempt from subdivision platting requirements.		
188	(2) If the existing lot was created prior to July 1, 1992, contained a single family dwelling		
189	unit constructed prior to July 1, 1992, and complied with the standards of the zone in		
190	effect at the time of the lot's creation, but because of subsequent changes to these		
191	codes does not conform to the current lot standards, the lot shall be exempt from		
192	subdivision platting requirements, and is a nonconforming lot.		
193	(3) If the existing lot was created prior to July 1, 1992, and does not qualify for the		
194	provisions of subsections (a)(1) or (a)(2), then the lot shall be platted in accordance		
195	with Title 106 of this Land Use Code, and the following:		
196	<ul> <li>Required lot width and area standards may be reduced to the width and area of</li></ul>		
197	the lot as it existed prior to July 1, 1992.		
198	b. A lot that does not meet the minimum standards of the zone in effect at the time		
199	of the lot's creation may be reconfigured in a configuration that complies with		
200	those minimum lot standards, as long as the reconfiguration does not cause any		
201	other lot to become nonconforming or more nonconforming.		
202 203	c. Lot area and lot width may be further reduced to accommodate any right of way dedication as may be required by Title 106 of this Land Use Code.		
204	<ul> <li>All such platted lots that do not conform to current zoning standards shall</li></ul>		
205	thereafter be considered nonconforming lots.		
206 207	e. No unplatted lot or parcel governed by this subsection shall be granted a land use permit prior to subdivision platting.		
208 209 210 211 212 213	(b) The following rules govern the treatment of platted lots: Any lot legally platted within the bounds of a subdivision that was created in conformance with the lot standards of the zoning code and subdivision code in effect at the time of its creation and, because of subsequent changes to these codes does not conform to the current lot standards, may be amended pursuant to the minimum lot standards in effect at the time of its creation, provided the external subdivision boundaries of not change. The amendment shall not		
214 215	create any new lot. An amended plat shall be required.

217	
218	
219	
220	
221	
222	Sec. 108-12-12. Enlarging nonconforming lots.
223	A nonconforming lot may be reconfigured in a configuration that complies with the lot
224	standards of the zone in effect as the time of the lot's creation, as long as the reconfiguration
225	does not create any more lots than currently exist or cause any other lot to become
226	nonconforming or more nonconforming to current lot standards. If the nonconforming lot is
227	part of a platted subdivision an amended subdivision plat is required.
228	Sec. 108-12-13. Setback requirements for nonconforming lots
229	A nonconforming lot that has a smaller width than is required for the zone in which it
230	is located may be developed in a manner that does not exceed the following allowed
231	reduction in side yard setbacks:
232	(1) A nonconforming lot's actual width (v) may be divided by the current required
233	frontage/width (w) in order to formulate a ratio or proportional relation (x).
234	(Formula: "v" divided by "w" equals "x.")
235	(2) The ratio may then be multiplied by the current zone's side yard setback
236	requirement (y) in order to establish a reduced setback (z). (Formula: "x"
237	multiplied by "y" equals "z".)
238	(3) The reduced side yard setback is subject to the conditions listed below.
239	a. Under no circumstances shall an interior lot be allowed to reduce the side-
240	yard setback requirement below five feet on one side and eight feet on the
241	other.
242	b. Under no circumstances shall a corner lot be allowed to reduce the side-
243	yard requirement below ten feet when the side yard fronts on a street.
244	See 109 12 14 Barcola providually combined for tax purposes
245	Sec. 108-12-14. Parcels previously combined for tax purposes.

- (a) Parcels that have been combined by the county recorder's office for tax purposes shall be
- 247 allowed to separate one or more of the combined parcels on an approved and recorded form if:
- 248 (1) The parcels that are being separated were originally created prior to July 1, 1992;
- (2) The properties as configured prior to the combination met area and frontage/width
   requirements for the zone in which they were created, or were considered
   nonconforming lots;
- (3) The combination was done by the current owner or same owner acting as trustee, and
   was done by a quit claim, combination form, or other instrument, which states the
   consolidation of parcels is for tax purposes;
- 255 (4) No new lots are being created; and
- (5) The separation of parcels results in a configuration consistent with the original parcels
   and conforms to the ordinance that was in place prior to the recording of the combination
   form, and the resulting lots conform with the provisions of Section 108-12-11.
- (b) The separation of combined parcels authorized under this Section does not authorize a change
  in the configuration of an approved and recorded subdivision or lots within such subdivision.
  Any change to the configuration of a subdivision must comply with Title 106 of the Land Use
  Code, and any applicable state law.
- 263 Sec. 108-12-15. Effect of Public Right of Way Expansion.
- (a) Any structure that legally existed with conforming or nonconforming setback prior to the
   expansion of a public right of way where the expansion of such public right of way makes
   the structure noncomplying or more noncomplying to the setback requirements of this
   Land Use Code, shall be deemed a legal, noncomplying structure.
- (b) Any lot that legally existed in a conforming or nonconforming status prior to the
  expansion of a public right of way where the expansion of such public right of way makes
  the lot nonconforming or more nonconforming to the standards of this Land Use Code,
  shall be deemed a legal, nonconforming lot.
- (c) This section does not excuse or exempt any past or future action that creates or modifiesa lot in a manner that is in violation of applicable laws.

## Notice of Effect Public Right of Way Expansion of Street Name

#### Legal Description

#### SEE EXHBIT A

RE: Potential Nonconformity on Land Due to the Expansion of the <u>Street Name</u> Right of Way, as part of <u>Project</u> <u>Number and Description</u>.

The parcel of land with the Land Serial Number <mark>#\_\_\_\_\_\_</mark> is currently zoned <mark>ZONE</mark>\_\_\_\_\_\_ (ZONE SYMBOL).

This notice is intended to document how the above specified right of way expansion project affects the subject property. If the property legally existed in a conforming or legal nonconforming status prior to the expansion of the public right of way, and the expansion of the public right of way has made the lot or parcel nonconforming or more nonconforming to the lot standards of the subject property's zone, the property shall be deemed <u>legal</u>, even though nonconforming. Any further development of it shall be allowed pursuant to and in compliance with Weber County Code §108-12, and other applicable local, state, and federal laws. The same consideration will be given for structures affected by the expansion of a public right of way; if the setbacks are made noncomplying or more noncomplying the structure shall be deemed <u>legal</u>, even though noncomplying.

Note: This notice does not excuse or exempt any past or future action that creates or modifies a lot, parcel, or structure in a manner that is in violation of applicable laws.
