RE: Michael Sherman Property:
Part of Lots 6, 7, 8, and 9 of the Wilcox Camping and Boating Resort
Parcel #20-019-006, and 21-019-0016

Gentlemen:

The Weber-Morgan Health Department has no issue with the proposed lot combination of the aforementioned parcels. In 2008 Michael Sherman worked with our office to comply with our request during the remodel process of his home which is located on the previous lot 8. The original structure, constructed in 1945 predates any Weber-Morgan Health Department Onsite Wastewater Regulation. The structure has been maintained at or below the number of original bedrooms, thus not increasing the daily wastewater output.

If you have any further questions you may contact this office.

Sincerely,

Summer Day, LEHS
Environmental Health Division
