**SITE PLAN**

Notes:

1. Drainage will be maintained on lot or taken to approved drainage source.
2. Portable restroom, dumpster, and concrete washout station will be on site during construction.
3. Materials will be dropped off on site without disturbing flow of traffic.
4. There is a 20' power line easement on South property line shown by dashed line.
5. There is a 7' utility and drainage easement around the property shown by dotted line.
