Greetings,

I have included a link to Frontier below. This is our online application portal. Steps are outlined below. Let me know if you have any questions.

- * Create an account in Frontier
- * Applications
- * Planning applications
- * Subdivisions
- * Small

At that juncture you will complete the application. Below is a list of supporting document the county will require.

- * Public Street Connectivity Plan - Required (Upload your plat in 2 different places)
- * Title Report - Required, See minimum requirements 106-1-5 (13).
- * Final Plat - See minimum requirements 106-1-8 (For subdivision with 9 or fewer lots).
- * Note on Subdivision Lot Adjustment Application - For minor adjustments to lot lines or internal lot restrictions, include a Proposed Final Plat as an electronic copy of the proposed amended plat needs to comply with Utah Code Ann. Section 17-27a-608 and be prepared by a surveyor licensed in the State of Utah, and all information from the original subdivision plat needs to be referenced on the amended plat.
- * Preapplication Meeting Notes - Required (Upload this email .)

Let me know if you have any questions.
