RE: PRELIMINARY WILL SERVE LETTER – Brookview

The development is located at approximately 1600 South and 4000 West and consists of 116 lots and a 1.01-acre detention basin. Hooper Irrigation Company has pressure irrigation water available for the aforementioned project located at the above-noted address.

This letter states that the afore-named project is in the boundaries of Hooper Irrigation Company. A formal application has been made to our office. The developer met with the Hooper Irrigation Company Board to discuss private ditches, connection requirements, and specifications to meet Hooper Irrigation standards.

The subdivision plat plan has been reviewed by Hooper Irrigation. The preliminary plans have been conditionally approved for the above subdivision. This project alone is in consideration and guaranteed service and the plan review is good only for a period of one year from the date of this letter, if not constructed.

Hooper Irrigation's specifications are available at the Company office.

If you have questions, please call 801-985-8429.

Sincerely,

Michelle Pinkston
