Taylor, Utah 84401

Re: Secondary Water

To whom it may concern:

The above mentioned subdivision has sufficient shares of Hooper Irrigation "A" Stock to connect to the Pressurized Secondary System which is available in this location. The requirement for connecting to Secondary Water is a ½ share for each lot as well as a \$3,000 connection fee per lot. Currently Hooper Irrigation Company can and will serve this parcel with Pressurized Irrigation Water.

If you have any further questions please call the Company Office at (801)985-8429.

Sincerely,

Michelle Pinkston
Office Manager
