Hi Francy,

I reviewed the drawings and everything looks good.

Regards,

Chris Thomsen

Good afternoon Chris, I hope you are doing well.

We just wanted to follow up with you about the new set of plans that we send you. Do you find everything okay?

Wade wanted to know because he has the meeting with the county on Tuesday, and we would like to know if you are okay with the changes or we need to do anything else.

Please, let us know. Have a great day.

Thank you,

Francy Contreras
