Re: SL01312 – MW addition to existing tower at 4311 West 1200 South, West Weber

Hello

T-Mobile is proposing to add equipment to an existing tower. The size of the tower will remain the same. T-Mobile is proposing to add the following:

- Add an excess fiber management box
- Add two (2) fiber cables and two (2) power cables to MW antenna
- Add a dual monopole ring mount
- Add one (1) 6' diameter microwave antenna
- Add a remote mount and two (2) RFUs and
- Add two (2) stiff arms.

I appreciate your time with this. Please contact me with any questions.
