Dear Ray,

On October 27, 2015 the Ogden Valley Planning Commission made a recommendation to grant final approval of The Summit at Ski Lake No. 13, subject to the following condition:

1. Meeting the requirements of applicable review agencies.
2. Showing the buildable area on the 2 lots and noting the "R" designation is for geological concerns.

When these requirements have been satisfied, the subdivision will be presented to the Weber County Commission for final approval. The minutes from the Planning Commission meeting will be available in approximately one month. If you have any questions, please contact me at 801-399-8765.

Sincerely,
