### Project Narrative

Blacksmith Garage will use this space to operate a secondary location to its already established primary showroom and dealership located at 2131 N. 5500 E. Eden, UT 84310. Architecture and design have already been completed on this site. Blacksmith Garage will occupy units 3, 4 and 5 of the building. There will be an addition of a sign above the front door advertising that the space is occupied by Blacksmith Garage. Signage will compliment the building and development as well as mirror existing signage in size and material. Automobile New or Used Sales is already listed as a conditional use for the CV-2 zone in the Ogden Valley.

**Basis for Issuance of Conditional Use Permit**

Reasonably anticipated detrimental effects of a proposed conditional use can be substantially mitigated by the proposal or by the imposition of reasonable conditions to achieve compliance with applicable standards. Examples of potential negative impacts are odor, vibration, light, dust, smoke, or noise.

All cars will be stored and displayed inside the building and may temporarily be displayed outside on occasion during business hours. Cars will be moved back indoors at night if displayed. As this will be a secondary location there will not be a full time employee at the site. Because of this as well as the nature of the business as a specialty use we are requesting a lower parking requirement of 2 spaces as it will not require the use of 5 spaces.

That the proposed use will comply with the regulations and conditions specified in the Zoning Ordinance and other applicable agency standards for such use.

The proposed use is allowed per the Zoning and Development Agreement and will compliment the development.
