Summary

The applicant is petitioning Weber County to reduce the density rights (units) that have previously been allocated to "The Fairway's" from 115 units to 99 units by transferring five units from "The Fairway's" to "Trapper's Ridge". The applicant would then like to hold the remaining 11 units in reserve to be sold, assigned or transferred at a later date. The proposed modifications to the applicant's density rights have been shown in "red" on the maps that are identified as "Exhibit B" and "Exhibit C" in the proposed "Second Amendment to Weber County Zoning Development Agreement for the Wolf Creek Resort" (see Exhibit A for the proposed amendment and the applicable maps). The proposed amendment will only modify the density rights owned by Eden Village, LLC and will not affect the remaining density rights owned throughout the Wolf Creek Resort. If the request to hold the remaining 11 units in reserve is approved, the applicant will need to petition the County for approval prior to transferring the units elsewhere.

Background

Wolf Creek Resort has been a Master Planned Community since the early 1980's. In 2002, the owner of Wolf Creek Resort petitioned the County to rezone areas within the development and amend the agreement. The 2002 Wolf Creek Master Plan Amendment was approved as Contract# C2002-139 and recorded with the Weber County Recorder's Office as Entry# 1883524. Since that time, the undeveloped parcels have been foreclosed on and the new owners/stakeholders of Wolf Creek Resort have successfully undergone the process with Weber County to restructure and distribute the remaining entitlements throughout the development. The revised contract was approved as Contract# C2015-31 and was recorded with the Weber County Recorder's Office as Entry# 2768159 (see Exhibit B). Per Contract# C2015-31, Trapper's Ridge has been allotted 13 development rights as shown on the "Development Parcel/Units" table located on page 2 of the contract (see Exhibit B).

As part of the approval of Contract# C2015-31, the owners/stakeholders were asked by Weber County to bring forward "conceptual maps" for the development to be reviewed and recorded as part of the amended agreement that would clarify the density rights throughout the Resort. In February of 2016, the owners/stakeholders provided Weber County with the requested conceptual map for the Wolf Creek Resort and received approval of the "Agreement Amending and Clarifying the Weber County Zoning Development Agreement for the Wolf Creek Resort" on March 22, 2016. The amendment has been recorded with the Weber County Recorder's Office as Entry# 2784398 (see Exhibit C).

On April 26, 2016 a public hearing was held by the Ogden Valley Planning Commission, after the Planning Division staff sent out courtesy notices to the effected entities regarding the proposed amendment to the Wolf Creek Resort Zoning Development Agreement. The OVPC received public input and has unanimously forwarded a positive recommendation for

the requested Second Amendment to the Wolf Creek Resort Zoning Development Agreement to amend the “Conceptual Development Plan” as part of the Zoning Development Agreement that was previously approved as Contract #2015-31 and amended as Entry# 2784398 to allow the transfer of five density rights (units) from “The Fairway’s” to “Trapper’s Ridge” and hold the remaining 11 density rights (units) in reserve to be sold, assigned or transferred at a later date.

Conformance to the General Plan

Based on staff’s analysis, the proposal conforms to the Ogden Valley General Plan by encouraging development within existing community areas by providing incentives for developers to preserve open space by cluster development, balancing commercial development and residential growth (*The 1998 Ogden Valley General Plan § 5 Commercial Development and §10 Residential Development*).

Summary of County Commission Considerations

The following questions may be considered helpful to the County Commission regarding the request to amend the “Conceptual Development Plan” as part of the Zoning Development Agreement that was previously approved as Contract# C2015-31 and amended as Entry# 2784398 to allow the transfer of five density rights (units) from “The Fairway’s” to “Trapper’s Ridge” and hold the remaining 11 density rights (units) in reserve to be sold, assigned or transferred at a later date:

- Does the proposed amendment coincide with the vision of the area?
- Is the proposed amendment harmonious with the Ogden Valley General Plan?
- Does the proposed “Conceptual Development Plan” meet the current goals and objectives as outlined in the Ogden Valley General Plan?
- Does the proposal enhance the public health, safety and welfare over the type of development that could otherwise occur?
- Does the proposal to amend the conceptual development plan negatively impact the surrounding properties and uses?

Planning Commission Recommendation

The Ogden Valley Planning Commission recommends approval of the request to amend the “Conceptual Development Plan” as part of the Zoning Development Agreement that was previously approved as Contract# C2015-31 and amended as Entry# 2784398 to allow the transfer of five density rights (units) from “The Fairway’s” to “Trapper’s Ridge” and hold the remaining 11 density rights (units) in reserve to be sold, assigned or transferred at a later date. This recommendation is based on the findings as listed below:

1. A request to amend the “Concept Development Plan” is allowed per the previously approved Zoning Development Agreement.
2. It is in the best interests of both the applicant and the County to have a “Concept Development Plan” that is viable and harmonious with the Ogden Valley General Plan.
3. The amendment to the conceptual design will facilitate the required site improvements in a manner that will coincide with the vision of the area and will be more desirable for future residents.
4. The amendment is not detrimental to the public health, safety, or welfare.
5. The proposal will not deteriorate the environment of the general area so as to negatively impact surrounding properties and uses.

AGREEMENT AMENDING AND CLARIFYING THE WEBER COUNTY ZONING DEVELOPMENT AGREEMENT FOR THE WOLF CREEK RESORT

RECITALS

WHEREAS, Weber County, Utah (the "County") and Wolf Creek Properties, L.C., a Utah limited liability company ("Original Developer"), entered into that certain Zoning Development Agreement dated October 11, 2002 and recorded on October 22, 2002 as Entry No. 1883524, in Book 2276, beginning at page 990 in the office of the Weber County Recorder (the "Development Agreement");

WHEREAS, the Development Agreement, among other things, allocates available density for the development of the Wolf Creek Resort located in the Eden area of the Ogden Valley located within the County (the "Resort");

WHEREAS, the actual allocation of density for the Resort is based on zoning classification and available acreage within the zones, and the actual placement of units within the over-all development of the Resort was left to the Original Developer to propose to the County, under the County's land use code; and

WHEREAS, the Resort has been partially developed with assigned density allocations as contemplated by the Development Agreement, but there remains undeveloped areas within the Resort that have not been developed and for which density allocations are available;

WHEREAS, the parties signing this Amendment with the County (the "Successor Developers") have succeeded to the interests of the Original Developer to that portion of the Resort that is legally described on Exhibit "A" attached to and incorporated by reference in this Amendment (the "Subject Property"); and

WHEREAS, the Successor Developers wish to amend and clarify certain provisions of the Development Agreement to reflect changes in the ownership of the Subject Property and to assign to each Successor Developer's portion of the Subject Property (each a "Developer Parcel") a portion of the remaining density entitlements for the Resort that can be supported by the zoning classification of each Developer Parcel but subject to the remaining unassigned density allocations that were available to the Original Developer under the terms of the Development Agreement; and

WHEREAS, the Ogden Valley Planning Commission, in a Public Hearing on December 2, 2014, received public comment on this proposal and unanimously recommended approval to the Weber County Commission.

Exhibit B-Approved ZDA Contract# C2015-31

NOW THEREFORE, for good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties do hereby amend the Development Agreement as follows:

2. DENSITY ALLOCATIONS FOR SUBJECT PROPERTY

The following table summarizes the zoning classification, Development Parcel owner and the total units available to each of the Development Parcels affected by this Amendment, with notice to the County and agreed to by the Successor Developers, and includes the reallocation of 58 units from Parcel 3 to Parcel 1 now owned by America First Federal Credit Union ("America First"):

WHEREAS, Weber County, Utah (the "County") and Wolf Creek Properties, L.C., a Utah limited liability company ("Original Developer"), entered into that certain Zoning Development Agreement dated October 11, 2002 and recorded on October 22, 2002 as Entry No. 1883524, in Book 2276, beginning at page 990 in the office of the Weber County Recorder (the "Development Agreement");

WHEREAS, the Development Agreement, among other things, allocates available density for the development of the Wolf Creek Resort located in the Eden area of the Ogden Valley located within the County (the "Resort");

WHEREAS, the actual allocation of density for the Resort is based on zoning classification and available acreage within the zones, and the actual placement of units within the over-all development of the Resort was left to the Original Developer to propose to the County, under the County's land use code; and

WHEREAS, the Successor Developers wish to amend and clarify certain provisions of the Development Agreement to reflect changes in the ownership of the Subject Property and to assign to each Successor Developer's portion of the Subject Property (each a "Developer Parcel") a portion of the remaining density entitlements for the Resort that can be supported by the zoning classification of each Developer Parcel but subject to the remaining unassigned density allocations that were available to the Original Developer under the terms of the Development Agreement; and

WHEREAS, the Ogden Valley Planning Commission, in a Public Hearing on December 2, 2014, received public comment on this proposal and unanimously recommended approval to the Weber County Commission.
