## FINAL APPROVAL OF INDIVIDUAL WASTEWATER SYSTEM

2570 Grant Avenue Ogden, Utah 84401 OFFICE (801) 399-8381 FAX (801) 399-8323

August 27, 2003

BLAINE LAND 7849 S 2100 E SOUTH WEBER, UT 84405-

Permit No. W99954 ABSORPTION FIELD

This is to certify that on August 22, 2003 the Weber-Morgan Health Department made a final inspection of the individual wastewater disposal system installed at the construction site address of: 7390 N JEREMIAH JOHNSON in WEBER COUNTY, UTAH.

At the time of the final inspection, the wastewater system was found to be in compliance with the requirements of the Weber-Morgan Health Department. Approval to place the above-referenced wastewater system into service is hereby granted to **BLAINE LAND**.

This individual wastewater disposal system will require periodic maintenance to keep the system working properly. In addition, care must be taken not to disturb or damage the ABSORPTION FIELD. The attached document will provide you with information on the proper care and maintenance of this wastewater disposal system.

If you have any questions or need further assistance please contact this office at (801) 399-8381.

Representative, Weber-Morgan Health Department
