### Project Narrative

This project involves re-design of the visitor parking lot, truck access entrance, and the addition of a bike/walking trail. Included in the submittal are a proposed future building addition and bike trail.

The re-design focuses on adding greenspace within the visitor parking lot and providing a more pedestrian friendly drop off and walkways. Semi traffic is routed to its own entrance now split off from the visitor entrance.

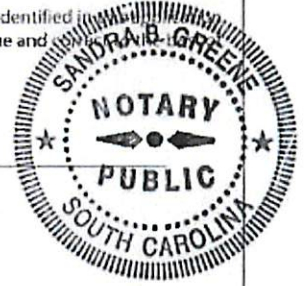

The proposed bike/walking trail will allow bikers/walkers to access the trail off of Rulon White Blvd and bypass parking lots and drives to the facility's main entrance.
