NARRATIVE
The purpose of the survey is to amend Lot 271 and a part of Lots 270 and 272 of EVERGREEN PARK SUBDIVISION NO. 1. The current recorded description for this parcel does not match prior deed descriptions. Therefore the description for this amended plat is written to correct these errors and to match the descriptions from prior deeds as described in this narrative. The South line was established by Entry #1297851 in which the North half of Lot 270 was deeded from Lot 270 to Lot 271. The North Line was established by the Deeds in Entry #s 1118126 and 1118125.

As per Utah Code 17-27a-609-2(b) this recorded plat shall "vocate, supersede, and replace any contrary provisions in a previously recorded plat of the same land". It is the owners intent to not vacate any of his rights and privileges from the original dedication. Note #4 of this plat was first placed in the Owner's Dedication of this plat, recognizing that Evergreen Park Drive and other private Right(s)-of-way and easements have already been dedicated, granted, and/or reserved by the Owner's Dedication as recorded in Plat Book 13 page 51 of Evergreen Park Subdivision No. 1 as recorded on Feb. 13, 1984, with the intent to reserve to the owner, his heirs, next of kin, successors, administrators, Executors, Personal Representatives and assigns, the benefits granted to them from the said original Owner's Dedication. The County Surveyor's office has forced us to remove this paragraph from this plat's Owner's Dedication and make it a note. Because the County is requiring the owners to remove this affirmative statement of intent from their signed dedication it is being noted herein that the owners do not intend to relinquish any existing or prior granted rights associated with the original subdivision. As such, the owners are hereby placing the county on notice that should it be shown at a future date that their rights as stated have been lost because of the county's requirement, that the county may be liable for the damages so incurred.
