Re: Yellow Rose Garden Subdivision, 3 lots  
Parcel # 20-002-0032

Eden Water Works Co would like to inform you of the availability of water for the 3 Lot subdivision called Yellow Rose Garden. Shares of class "D" stock in the company are available for purchase.

Eden Water will require a full set of construction plans for the subdivision prior to authorizing any laying of pipe for infrastructure. The developer may be required to upgrade any part of Eden Water Works Co. existing system to provide adequate fire protection for the subdivision. This will all need to be done before final approval is granted.

If you have any questions or need further information you may contact Thom Summers, Certified Water Operator for EWWC, @ 801-430-2695.

Sincerely,

Thom Summers
