1. Public Water System (PWS) Information

System Name: Staker Farmstead Estates Residential Development

System Number: _____

Address: 2665 South 3500 West

City, State, Zip: Ogden, UT 84401

Present No. of ERCs System is obligated to serve: 0

Population Served: 58

No. of ERCs this project will add: 18

2. Addressee for Official Correspondence [Mayor, Public Works Director, etc.]

Name: Steve Burton

Title: Planner II, Weber County Planning Division

Address: 2380 Washington Blvd., Suite 240, Ogden, UT 84401

Phone No.: (801) 399-8766

E-mail Address: sburton@co.weber.ut.us

3. Professional Engineer (PE) designated as Direct Responsible Engineer for Entire System (if applicable)

Name: Edwin Hal Christensen, PE, SE

Address: P.O. Box 13059

City, State, Zip: Ogden, UT 84412

Phone No.: (801) 458-9647

E-mail Address: ehchristensen@comcast.net

4. Professional Engineer (PE) Responsible for Design of this Project

Name: Edwin Hal Christensen, PE, SE

Title: President/Senior Engineering Manager

Address: P.O. Box 13059

City, State, Zip: Ogden, UT 84412

Phone No.: (801) 458-9647

E-mail Address: ehchristensen@comcast.net

5. Construction Inspection Information (if available)

Inspector Name: _____

Frequency of Inspection: _____

Additional Notes:

[ERC = Equivalent Residential Connection; SRF = State Revolving Fund]

6. Description of Project [in sufficient detail for DDW to identify]

The project consists of the design and construction of a residential 18 lot cluster subdivision (development) on a 13.12 acre parcel of undeveloped property in Taylor, Utah. The buried drinking water, sanitary sewer, and storm sewer utility lines will be placed in the above referenced street running 1,280 lineal ft. the entire East/West length of the property. The project (development) will include four residential building lots with an average area of 9,800 ft², 10 residential building lots with an average area of 9,600 ft², and four residential building lots with an average area of 73,620 ft². Drinking water service will be provided by Taylor West Weber Water Improvement District. The property's platted Tax ID number is 15-088-0036. Development's Preliminary Plan currently under review by the Weber County Planning Commission.

7. Anticipated Construction Schedule (if applicable):

Advertise for Bids: Aug-17

Bid Opening: Aug-17

Begin Construction: Sep-17

Complete Construction: Apr-18

8a. Is this PNF for plan review waiver 3a?
