To whom it may concern,

Weber Basin Water Conservancy District currently has 1.3 acre-feet of secondary water allocated to parcel 07-086-0062 located at 2285 E Jennifer Dr in the Uintah Highlands area. This water constitutes a full allocation. The developer will need to submit plans and coordinate with the District in order to extend existing infrastructure in the area and provide a secondary connection to the lot.

Regards,

Jonathan Parry, P.E.
