**RE: James Swearingen v. Thomas Halliday, et al.
Case No. 150906265**

Dear Mr. Burton:

Please find enclosed the subdivision application for the Robins Roost Subdivision, 1st Amendment. As you will recall, I spoke with you a couple of months ago regarding the need for a new boundary to be placed between Parcel No. 22-075-0008 and 22-075-0006. Reeve & Associates has completed a survey and a proposed amended plat for county approval.

I am enclosing the subdivision applications from the two difference respective property owners. I am enclosing the proposed plat from Reeve & Associates. I am enclosing the two title reports. I request that you process this amended plat application in due course. If there is any additional information that I can provide to you please let me know.

Sincerely,

SMITH KNOWLES, P.C.
