NARRATIVE

The purpose of this survey was to establish and set the property corners of the two lot subdivision as shown and described hereon. This survey was ordered by Remedios Rackliff. The west boundary of the Rackliff property conflicts with the east boundary line of the original Days End Subdivision owned by Marjorie R. Day, Day Quit Claimed, Entry No. 2859448, the overlap to Quintin Sanders, (the prior owner of the Rackliff property) releasing any interest in the overlapping deeds. This Subdivision is an Amendment of the original Day's End Subdivision to create the new two lots on the Rackliff property and to clear up the overlap mentioned above. The north boundary line of Lot 1 is the north boundary line of Days End Subdivision as plotted. The north boundary of lot 2 is a line 33.00' south of the section line. The east boundary line is at a location per record being 660' west of the northeast corner of sec. 29 which line fits in harmony with the Hadley Homestead Subdivision to the south where a Great Basin rebar and cap was found and held. The south boundary line is projection of the south boundary line of said Hadley Homestead Subd. The West boundary lines are both set going the record call of 170' to the west. The control used to establish the property corners was the existing Weber County Surveyor Monumentation surrounding Section 29, Township 6 North, Range 2 West, S.L.B.&M. The basis of bearing is the North line of the Northwest Quarter of said Section which bears N 89°18'20" W, Utah North, State Plane, Calculated N.A.D.83 Bearing.
