Dear Developer:

Re: Natural Gas Service Availability Letter

*Natural gas can be made available to serve the homes at the follow addresses:
Cameron Cove Cluster – 4065 W 2275 S – Taylor, when the following
requirements are met:*

- 1. Developer provides plat maps, drawings, construction schedules, average size of homes, units and/or buildings that will be served by natural gas, and any and all other relevant information regarding commercial and residential uses, including but not limited to, proposed natural gas appliances (number and type of appliances per unit, home, building).*
- 2. Review and analysis by Questar Gas Engineering and/or Preconstruction Department to determine load requirements, system reinforcement requirements and estimated costs to bring natural gas to the development.*

Upon completion of Questar Gas review of the developments natural gas requirements, agreements will be prepared, as necessary, for high pressure, intermediate high pressure and/or service line extensions required to serve the development. These service extensions must be paid in advance, but may qualify for credits or refunds, as provided in Questar Gas tariff.

To accommodate your construction schedule and provide cost estimates to you, please contact me at your earliest convenience.

Sincerely,

*Terri Hurst
Operations Northern Division*
