Re: Terakee Village

To Whom It May Concern:

Hooper Irrigation has been provided the preliminary plan for the PRUD subdivision, Terakee Village. There is a proposed road which crosses over the Hooper Irrigation Canal.

Hooper Irrigation strongly opposes a road crossing our canal. If there is any need to access the canal for maintenance or repair, a road would greatly impede our ability to access the canal. The canal is integral in providing water for agricultural use in the surrounding area.

If there are questions, please contact the company office at (801)985- 8429.

Sincerely,

Michelle Pinkston
