### NOTE:

- Agriculture is the preferred use in the agricultural zones. Agricultural operations as specified in the Land Use Code for a particular zone are permitted at any time including the operation of farm machinery and no allowed agricultural use shall be subject to restriction on the basis that it interferes with activities of future residents of this subdivision. [Amd. Ord. Sec. 106-1-8(c)(5)]
- Due to the topography and the location of this subdivision all owners will accept responsibility for any storm water runoff from the road adjacent to this property until curb and gutter is installed.

### OWNER'S DEDICATION

We the undersigned owners of the herein described tract of land, do hereby set apart and subdivide the same into lots and streets as shown hereon and name said tract BERG SUBDIVISION:

We hereby dedicate to the governing entity for the purpose of public use all those parts or portions of said tract of land designated as street(s) and/or road(s), the same to be used as public thoroughfares. And further dedicate grant and convey said street(s) and/or road(s) as public utility corridors as may be authorized by the governing entity.

We hereby grant and dedicate a perpetual right and easement over, upon and under the lands designated hereon as public utility, storm water detention pond(s), drainage easement(s), and canal maintenance easement(s), the same to be used for the installation maintenance and operation of public utility service line(s), storm drainage facilities, irrigation canal(s) or for the perpetual preservation of water channels in their natural state whichever is applicable to the governing entity and as may be authorized by the governing entity, with no buildings or structures being erected within such easements.

We hereby grant and dedicate unto all owners of lots upon which private land drains are constructed or which are otherwise dependent upon such land drains, a perpetual easement over such land drains for the purpose of maintenance and operation.
