**RE: Summit Eden Phase 1B Amendment 2
Request to close project**

Ms. Kippen-

I have recently discussed this project with Steve Collier of Weber County Surveying. He explained that this plat amendment is not necessary in order to record the Overlook phases that overlap into Phase 1B. The Overlook plats themselves can amend Phase 1B by themselves as long as we make reference on the Overlook that it is also amending a portion of Phase 1B.

Therefore, we would like to close this project as it is no longer necessary to pursue.

Please let me know if you have any questions or need any further information. Thank you for your continued help and support on this project!

Sincerely,
