RE: Gary Baur - Self Storage

The Water District will furnish water to the property in Farr West located at approximately 1440 West 2550 North in the Weber Industrial Park.

The connection fee at this time for a 2" service is \$3670.00. All fee's need to be paid prior to a building permit.

The District does allow for outside irrigation on a commercial building. The County and the developer must work together to keep the area and the usage to a minimum. It can not exceed 15%. The District would encourage xeriscape (water-wise landscaping) to be used where ever possible. A drip system could be used which would save an enormous amount of water.

Sincerely,

Bona Vista Water District
Jerry K. Allen/General Manager
