CLINTON, UT 84015-

Permit No. W101292      ABSORPTION FIELD

Land Serial No. 23-013-0078

This is to certify that on August 30, 2016 the Weber-Morgan Health Department made a final inspection of the individual wastewater disposal system installed at the construction site address of: LOT 61 BEAVER CREEK in WEBER COUNTY, UTAH.

At the time of the final inspection, the wastewater system was found to be in compliance with the requirements of the Weber-Morgan Health Department. Approval to place the above-referenced wastewater system into service is hereby granted to KAREN COWAN.

This individual wastewater disposal system will require periodic maintenance to keep the system working properly. In addition, care must be taken not to disturb or damage the ABSORPTION FIELD.

If you have any questions or need further assistance please contact this office at (801) 399-7160.
