To whom it may concern,

Comcast of Utah II grants you permission to encroach upon the easement, which exists along the rear West line of your property located at 5131 S. 3550 W., Roy, UT 84065. As long as it does not interfere with or deny access to our existing facilities (Poles, cable, conduits, pedestal, electronics). Three feet of clearance must be maintained around all pedestals.

If you need our facilities to be moved, it can be done at your expense. If any damage is incurred to our facilities due to your encroachment, repairs will be done at your expense. Be sure to contact Blue Stakes to locate all utility services at least 48 hours before digging.
