

The Ogden Valley Open Market

Use of site plan for 2018

-Foundation idea for temporary placement of pergola.

-  Barricade set up Thursday evening at about 4:30 and taken down after dusk.
-  Location of temporary 12x12' pergola. It will be set on a temporary foundation so that it can be moved again as needed.
-  Location of vendor booths. Exact spots of booths change from week to week.
-  Location of temporary parking while the Open Market is running.
