D. This Declaration including Bylaws shall be binding upon all real property described in Exhibit A and it is agreed by acceptance of a conveyance, contract for sale, lease, rental agreement, or any form of security agreement or instrument, or any privileges of use or enjoyment, respecting the property or any unit in the property regime created by this Declaration, that this Declaration states covenants, conditions, restrictions, and reservations effecting a common plan for the condominium development mutually beneficial in all of the described units, and that the covenants, conditions, restrictions, reservations and plan are binding upon the entire property and upon each such unit as a parcel of realty, and upon its owners or possessors, and their heirs, personal representatives, successors and assigns, through all successive transfers of all or part of the property or any security interests therein without requirement of further specific reference or inclusion in deeds, contracts or security instruments, and regardless of any subsequent forfeiture, foreclosures, or sales of units under security instruments.

E. The Project is located within the Edgewater Beach Resort, a residential and commercial planned unit development (“Edgewater PUD”). As such, the Association and Owners are governed and subject to not only the conditions, covenants, restrictions and provisions of this Declaration, but also the terms and provisions of that certain Declaration of Covenants, Conditions and Restrictions for Edgewater Beach Resort, filed of record in the Weber County Recorder's Office on _____, 2014, as Entry No. _____.

3.10 Antennas and Service Facilities.

Satellite dishes and antennas not regulated by the FCC are prohibited. Satellite antennas, such as Direct Broadcast Satellite (“DBS”) antennas (dishes) one meter in diameter or less, and designed to receive direct broadcast satellite service, including direct-to-home satellite service, or receive or transmit fixed wireless signals via satellite, may be installed only to the extent and in locations allowed herein and by local, state or federal law.

(a) Satellite dishes may only be installed inside the Owner’s Unit or on Limited Common Area over which the owner has exclusive use and control under the terms of this Declaration. No owner may install a satellite dish on the exterior, roof, or restricted areas of any building, or in the Common Area of the building or Project. No satellite dish may extend beyond balcony railings. Owners need to be aware that their Unit may not be in a proper location to receive satellite broadcast signals even if they install a satellite dish. Prior to installation, owners should check with a qualified and reputable company to determine if they are able to receive adequate signals at their unit. Owners shall notify the Committee in writing prior to any installation. Such notice shall include a description of the location for the satellite dish and the installation (attachment) method. No owner may drill holes in walls, doors or window frames in order to install the satellite dish or run cable from the dish to the television. All installations must be performed in such a manner as not to cause legitimate safety concerns. These would include, but not be limited to, danger of falling, danger of permanent damage to the building or proximity to power lines.

(b) Owners are responsible for any injury or damage to persons or property caused by their satellite dish. All installations must be performed in complete compliance with all applicable statutes, rules and regulations. If permits are required, Owner will obtain all such permits prior to installation. These rules are meant to comply with 47 CFR § 1.4000, as may be amended from time to time. All requirements of such section are hereby incorporated herein. In the event any portion of this section is held to conflict with applicable law, those portions shall be deemed stricken and all other portions of this Installation Policy will remain in full force and effect.

(c) No portion of the Installation Policy may be waived or changed by the Committee verbally. Any such waiver or change will be effective only when in writing. If any owner receives the benefit of any waiver or change of the Installation Policy, it shall be that owner’s responsibility and obligation to keep and safeguard the written waiver or change and to produce it upon any future request of the Committee.

(d) In the event of a violation of this Section, the Association may bring an action for declaratory and/or injunctive relief and the Owner is subject to a \$50.00 fine for each violation. If the violation is not corrected within a reasonable length of time as determined by the Committee, additional fines of \$10.00 per day will be imposed for each day that the violation continues. The foregoing fine amounts are subject to change by resolution of the Committee from time to time. The Association shall be entitled to recover its reasonable attorney's fees, costs and expenses incurred in the enforcement of this Section.

3.11 *Clothes Lines and Materials.*

No clothes lines, clothing racks, or other apparatus on which clothes, rags, or other items are exposed for the purpose of drying or airing shall be located on the Property except within a Unit or Limited Common Area screened from public view. No garments, rugs, rags, laundry, or other clothing or materials shall be allowed to hang from the windows or from any of the facades or any other part of a Unit unless in an area screened from public view.

3.12 *Association Rules and Regulations.*

In addition to the restrictions and requirements above, the Management Committee from time to time may adopt, modify, or revoke such rules and regulations governing the conduct of persons and the operation, aesthetics and use of the Units and Common Areas, including Limited Common Areas, as it may deem necessary or appropriate in order to assure the peaceful and orderly use and enjoyment of the Property and the accomplishment of the purposes of the Association and the Project, as determined by the Committee. Reasonable fines may be levied and collected as an assessment for any violation of the Governing Documents. A schedule of fines may be adopted by the Management Committee specifying the amounts of such fines, and any other provisions or procedures related to the levying of such fines.

ARTICLE IV - MAINTENANCE OBLIGATIONS

4.1 *Owner's Responsibility.*

(a) Units. Maintenance of the Units shall be the sole responsibility of the Owner(s) thereof, who shall maintain such Unit in good repair and in a clean and sanitary condition, all so as to not interfere in any way with other Owner's Units or the Common Areas. Each Owner at his or her sole expense shall maintain, repair, replace, paint, re-paint, tile, paper or otherwise re-finish or decorate: (1) the interior surfaces of the walls, ceilings, and floors forming the boundaries of his or her Unit; (2) all walls, ceilings, floors, windows and doors within such boundaries; and (3) all windows and doors (and all parts thereof) forming part of the vertical boundaries of a Unit, including thresholds, frames, door jams and hardware. In addition to decorating and keeping the interior of his or her Unit in good repair and in a clean and sanitary condition, he or she shall be responsible for the maintenance, repair or replacement of any plumbing fixtures, water heaters, heating equipment, air conditioners and air cooling units of any type, lighting fixtures, refrigerators, dishwasher, disposal equipment, ranges, toilets, or other appliances or fixtures that may be in, connected with, or servicing solely his or her Unit. Each Unit shall be maintained so as to not detract from the appearance of the Community and so as to not adversely affect the value or use of any other Unit. Units being left vacant for two or more consecutive weeks during the winter shall have water lines drained and turned off.

(b) Limited Common Area. Each Unit Owner shall, at his or her own cost, keep his or her Limited Common Areas in a clean, sanitary and attractive condition at all times, but the Association shall be responsible to maintain, repair and replace the Limited Common Areas, except the interiors of the garages consisting of the concrete floor and the interior surfaces of the walls, ceilings, windows, and doors/door frames forming the boundaries of the garage. The finished surface of the exterior of the rolling garage door shall be the responsibility of the Association to maintain. All other parts of the garage door shall be the responsibility of the Owner.

4.2 Maintenance by Association.

The Association shall maintain the Common Areas, including the Limited Common Areas as stated above. The Committee shall determine, in its sole discretion, the appropriate maintenance of the Common Areas and Facilities. If the Common Areas are damaged by the willful misconduct of an Owner, their guests, tenants, or invitees, the Owner shall be responsible for all such damage, and the cost to repair such shall be an assessment against that Owner and that Owner's Unit.

Additionally, the Association, by and through the Committee, may, but shall not be obligated to, assume the Owner's general maintenance responsibility over a Unit and Limited Common Area, or take such other action as necessary if, in the opinion of the Committee, the Owner is unwilling or unable to adequately provide such maintenance, or if an Owner shall fail to observe any Association covenant, restriction or rule. Before assuming such maintenance responsibility, the Committee shall provide notice to the Owner of its intention to do so, and if such Owner has not commenced and diligently pursued remedial action with ten (10) days after mailing of such written notice, then the Association may proceed to maintain the Unit. The expenses of such maintenance incurred by the Association shall be reimbursed to the Association by the Owner. Such expenses shall be levied and collected in the same manner as assessments pursuant to this Declaration.

ARTICLE V - ASSESSMENTS

5.1. Covenant for Assessments. Each Owner, by acceptance of a deed conveying any Unit to such Owner, whether or not so expressed in the deed or other conveyance, shall be deemed to have covenanted and agreed to pay the Association the following types of assessments, as provided for and defined below: Annual Assessments, Special Assessments, and Individual Assessments. No member may exempt itself from liability for Assessments by abandonment of any Unit owned by such member. No offsets against Assessment amounts shall be permitted for any reason, including, without limitation, a claim that the Association or Committee is not properly exercising its duties and powers.

5.2. Reserve Funds.

5.2.1. The Association shall establish and maintain a reserve fund for maintenance, repair and replacement of the Common Areas and for any emergency, unforeseen, unusual, or

unanticipated expenditures and for any other purpose determined from time to time by the Management Committee by the allocation and payment to such reserve fund of an amount to be designated from time to time by the Management Committee or of an amount and in the manner as may be required by law. The fund shall be conclusively deemed to be a Common Expense of the Association and may be deposited with any banking institution, the accounts of which are insured by an agency of the United States of America or may, in the discretion of the Management Committee, be invested in obligations of, or fully guaranteed as to principal by, the United States of America.

5.2.2. The Association may establish such other reserves for such other purposes as the Management Committee may from time to time consider to be necessary or appropriate.

5.2.3. The proportional interest of any member of the Association in any reserve fund established under this section shall be considered an appurtenance of such Owner's Unit and shall not be separated from the Unit to which it appertains and shall be deemed to be transferred with the Unit.

5.3. *Annual Budget and Assessment.*

5.3.1. Adoption of Budget. The Management Committee shall prepare, or cause the preparation of, an annual budget for the Association, which shall provide, without limitation, for the maintenance of the Common Areas and for the administration, management and operation of the Association. If the Management Committee fails to adopt an annual budget, the last adopted budget shall continue in effect.

5.3.2. Determination of Annual Assessment.

A. The Management Committee shall fix the amount of the annual assessment ("Annual Assessment") against each Unit for each assessment period at least thirty (30) days in advance of the beginning of the period. Written notice of the Annual Assessments shall be sent to all members of the Association at least thirty (30) days in advance of the beginning of any assessment period, or thirty (30) days in advance of any increase in the Annual Assessment that is to take effect during any assessment period.

B. The omission by the Management Committee, before the expiration of any assessment period, to fix the amount of the Annual Assessment for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this article or a release of any member from the obligation to pay the Annual Assessment, or any installment thereof, for that or any subsequent assessment period. In the event of such omission, the Annual Assessment fixed for the preceding period shall continue until a new assessment is fixed.

C. If the Annual Assessments levied at any time are, or will become, inadequate to meet all expenses incurred by the Association for any reason, including nonpayment of any Owner's Assessments on a current basis, the Management Committee may determine the approximate amount of the inadequacy and adopt a resolution which

establishes a supplemental budget and establishes the equitable change in the amount of the Annual Assessment.

5.4. *Apportionment of Assessments.* All Units shall pay a pro rata share of the Annual Assessment and Special Assessments commencing upon the date the Units are made subject to this Declaration. The pro rata share shall be based upon the percentage of undivided ownership interests of Units. Individual Assessments shall be apportioned exclusively against the Units benefitted or to which the expenses are attributable as provided for below.

5.5. *Purpose of Assessments.* The Assessments levied by the Association shall be used for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Community and carrying out the purposes and obligations of the Association, including, but not limited to: (a) The improvement, maintenance, operation, care, and services related to the Common Areas; (b) The payment of insurance premiums; (c) The costs of utilities and other services which may be provided by the Association for the Community; (d) The cost of labor, equipment, insurance, materials, management, legal and administrative fees incurred or expended in performing the duties under this Declaration or the Bylaws; (e) The cost of funding all reserves established by the Association, including a general operating excess and a reserve for replacements; and (f) Any other items properly chargeable as a Common Expense of the Association.

5.6. *Special Assessments.* In addition to the Annual Assessments authorized in this article, the Association may levy a special assessment from time to time ("Special Assessment") for the purpose of defraying, in whole or in part, the costs incurred or to be incurred by the Association which cannot be paid for through other types of Assessments. The Management Committee may authorize a Special Assessment for any lawful purpose provided, however, that any Special Assessment levied within 12 months of a prior Special Assessment, and that any Special Assessment greater than \$500 per Owner may only be levied if it is first voted upon by the Members and: (1) the votes cast favoring the action exceed the votes cast opposing the action, and (2) a quorum of 30% of the Owners exists.

5.7. *Individual Assessments.* Any expenses benefitting or attributable to fewer than all of the Units may be assessed exclusively against the Units affected or benefitted ("Individual Assessments"). Individual Assessments shall include, but are not limited to: (1) Assessments levied against any Unit to reimburse the Association for costs or attorney fees incurred in bringing the Unit or its Owner into compliance with, or to otherwise defend or uphold, or carry out, the provisions of the Governing Documents and for fines or other charges, including attorney fees, imposed pursuant to this Declaration for violation of the Governing Documents; (2) Expenses incurred by the Association relating to the cost of maintenance, repair, or replacement of the individual Units.

5.8. *Nonpayment of Assessments.* Unless otherwise provided by resolution of the Management Committee, the Annual Assessments shall be levied and due and payable on a monthly basis on the first calendar day of each month and shall be delinquent if not paid within fifteen (15) days after the due date.

5.8.1. Interest. Delinquent payments shall bear interest from the sixteenth (16th) day of the month, or such other date established by the Committee (the “date of delinquency”), at the rate of 18% per annum, or such other rate established by resolution of the Management Committee from time to time, not to exceed the maximum permitted by law.

5.8.2. Late Charge. Each delinquent payment shall be subject to a late charge of Twenty-Five Dollars (\$25.00) or such other amount established by the Management Committee from time to time.

5.8.3. Acceleration. If the delinquent installments of Annual Assessments and any charges thereon are not paid in full, the Committee, or its authorized agent, may declare all of the unpaid balance of the Annual Assessment to be immediately due and payable upon not less than ten (10) days’ written notice to the Owner, and may enforce the collection of the full Annual Assessment and all charges thereon in any manner authorized by law and this Declaration. If, however, the Assessment is accelerated and an Owner subsequently files bankruptcy or the Committee otherwise decides acceleration is not in its best interest, the Committee, at its option and in its sole discretion, may elect to decelerate the obligation.

5.8.4. Rent Payments by Tenant to Association. If the Owner of a Unit who is leasing the Unit fails to pay an assessment for more than 60 days after the assessment is due, the Management Committee may demand that the tenant pay to the Association all future lease payments due to the Owner, beginning with the next monthly other periodic payment, until all amount dues to the Association are paid. Such demand to the tenant shall be made in accordance with the law and the written procedures of the Association. The Committee, or its agent, shall give the Owner written notice of its intent to demand full payment from the tenant and such notice shall be made in accordance with the law and the written procedures of the Association.

5.8.5. Termination of Common Service and Facility Use. If an Owner fails or refuses to pay an assessment when due, the Management Committee may, after giving notice and an opportunity to be heard in accordance with the law and the written procedures of the Association, terminate an Owner’s right: (1) to receive any service paid as a common expense, including but not limited to utility services; and (2) of access and use of recreational facilities. If a hearing is requested, utility services or right of access and use of the recreational facilities may not be terminated until after the hearing has been conducted and a final decision has been rendered by the Committee. In the event that the Association incurs costs to terminate any such utility service, the defaulting Owner shall be responsible for all such costs. Upon payment of the assessment due, including any interest, late charge, and costs of collection, the Committee shall immediately take action to reinstate the terminated utility services to the Unit.

5.8.6. Remedies under the Act and Other Law. The Association shall have each and every remedy for collection of assessments provided in the Utah Condominium Ownership Act, Utah Code Title 57, Chapter 8, as amended from time to time, and in Utah Code Title 12, and such remedies and provisions shall be deemed to be fully set forth herein. A collection fee shall be imposed upon any delinquent account turned over to an attorney or collection agency for collection, in accordance with Utah Code § 12-1-11, in addition to any other amount owed to the Association.

5.9. Lien. The Annual Assessment and all other Assessments and charges imposed, together with damages, fines, interest, costs of collection, late charges, and attorneys' fees provided for in this Declaration (whether or not a legal proceeding is initiated) or by law or awarded by a court for enforcement of the Governing Documents shall be a charge and continuing lien upon each of the Units against which the Assessment is made and shall be construed as a real covenant running with the land. The recording of this Declaration constitutes record notice and perfection of the lien established herein. If an assessment is payable in installments, the lien is for the amount of each installment as such becomes due and this provision shall be deemed a notice of assessment. In a voluntary conveyance, the grantee of a Lot shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for his share of the unpaid assessments up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee.

5.10. Personal Obligation and Costs of Collection. Assessments imposed under this Declaration, together with interest and costs and reasonable attorneys' fees incurred or expended by the Association in the collection thereof (whether or not a lawsuit is initiated), shall also be the personal obligation of the Owner holding title to any Unit and in a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the latter up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee.

5.11. Appointment of Trustee. By acceptance of a deed for a Unit, each Owner as Trustor conveys and warrants to Trustee in trust for the Association, as Beneficiary, with power of sale, the Owner's Unit and all improvements thereon for the purpose of securing payment of all Assessments (including basis of collection) provided for in this Declaration. For purposes of this Section, the Act, and Utah Code Ann. §§57-1-19, et seq., as amended from time to time, the Trustee shall mean the attorney for the Association, and the Association may provide notice and disclosure of the Trustee, or substitution thereof, by recording an appointment or substitution of trustee in the records of the local County Recorder. Each Owner hereby also grants to the Association and Trustee all powers and rights of non-judicial trust deed foreclosure provided for in Utah Code Ann. §§57-1-19, et seq.

5.12. Enforcement of Lien. The lien provided for in this Article may be enforced by the Management Committee by causing a Unit to be sold through nonjudicial foreclosure as though the lien were a deed of trust, or by foreclosing the lien through a judicial foreclosure, all in the manner provided by the Act and by the laws of the state of Utah for the non-judicial foreclosure of deeds of trusts or the law for the foreclosure of a mortgage, as the case may be. The Association shall have the power to bid on the Unit at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Upon completion of the foreclosure sale, the defaulting Owner shall be required to pay the reasonable rental value of such Unit during any period of continued occupancy by the defaulting Owner or any persons claiming under the defaulting Owner, and an action may be brought by the Association or the purchaser at the sale in order to secure occupancy of the defaulting Owner's Unit, the costs and attorney fees associated with which shall be awarded to the Association or the purchaser, as the case may be. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental value without regard to the value of the security.

5.13. Subordination of Lien to Mortgages. The lien provided for in this Article has priority over each other lien and encumbrance on a Unit except a first or second security interest on the Unit secured by a mortgage or deed of trust that is recorded before a recorded notice of lien by or on behalf of the Association, or a lien for real estate taxes or other governmental assessments or charges against the Unit. The sale or transfer of any Unit pursuant to mortgage or deed of trust foreclosure (but not a proceeding in lieu thereof) shall extinguish the lien provided for herein as to payments which became due prior to such sale or transfer. Such sale or transfer shall not relieve the Unit from liability or lien for any Assessments or charges thereafter becoming due, and shall not relieve any Owner of his or her personal obligation for such amounts.

5.14. Statement of Unpaid Assessment & Payoff Information.

5.14.1. The Association shall, upon demand at any time, furnish to any Owner liable for assessment a certificate in writing signed by an officer of the Association setting forth whether Assessments have been paid. The certificate shall be conclusive evidence of payment of any assessment therein stated as having been paid. A reasonable charge, determined by the Management Committee, may be levied in advance by the Association for each certificate so delivered.

5.14.2. The Association may charge a fee for providing Association payoff information needed in connection with the financing, refinancing, or closing of a lot owner's sale of the owner's lot up to the maximum amount allowed by law.

ARTICLE VI - PROPERTY RIGHTS AND EASEMENTS

6.1 Use and Occupancy. Except as otherwise provided in Governing Documents from time to time, the Owner(s) of a Unit shall be entitled to the exclusive use and benefits of ownership of such Unit. Each Unit, however, shall be bound by, and the Owner, occupants and guests, shall comply with, the restrictions contained herein and all other provisions of the Governing Documents for the mutual benefit of the Owners.

6.3 Restriction on Unit Division. All Owners are prohibited from dividing any and all Units subject to this Declaration except through an amendment to this Declaration properly adopted as provided herein. However, Owners' allocated ownership interests in the Common Areas may not be altered without the consent of sixty-seven percent (67%) of all Owners.

6.5 Easements Reserved. In addition to the easements shown on the Plat or provided for under this Declaration, the Bylaws or law, the following easements are hereby reserved for the benefit of the Owners and the Association:

(a) **Right of Entry.** The Association and any person authorized by the Association may at any reasonable time, and from time to time at reasonable intervals, enter upon any Unit for the purpose of performing maintenance as set forth herein and determining whether or not the Unit is in compliance with this Declaration and Bylaws or whether the use of the Unit is causing damage or harm to the Common Areas or Limited Common Areas. Requests for entry shall be made in advance and at a time convenient to the Owner, except in the case of an emergency,

when such right shall be immediate. No such entry shall be deemed to constitute a trespass or otherwise create any right of action in the Owner of such Unit.

(b) Utility Easements. The Association and any public utility provider shall have an easement through all Units and the Common Areas for the installation, maintenance and development of utilities and drainage facilities, as may be necessary. Each Unit Owner shall have an easement in common with all Owners to use all pipes, wires, ducts, cables, conduits, public utility lines and other common facilities located in any of the other Units and serving his or her Unit. The Committee may grant or create from time to time, on behalf of the Association and on such terms as it deems advisable, utility and similar easements and rights-of-way over, under, across, and through the Common Area.

(c) Common Areas. All Owners are hereby granted a non-exclusive right and easement of enjoyment to the Common Areas which right and easement shall be subject to compliance by the Owner with the provisions of the Governing Documents and the right of the Association to limit the number of guests of residents. Except as to rights of ingress and egress to a Unit, any Owner not residing on the Property shall be deemed to have delegated his or her right of enjoyment and use of and to the Common Area facilities and amenities to any tenants, contract purchasers, or other occupants of the Unit who actually reside on the Property and no person other than residents and their guests (up to the number established by rule from time to time) may use any Common Area facility or amenity.

6.6 No Encroachment. No Unit shall encroach upon an adjoining Unit. If, however, an encroachment occurs due to the settlement or shifting of a structure/building or any other reason whatsoever beyond the control of the Management Committee or any Owner, there shall forthwith arise, without the necessity of any further or additional act or instrument, a good and valid easement for the maintenance of such encroachment, for the benefit of the Owner, its heirs, personal representatives and assigns, to provide for the encroachment and non disturbance of the Structure. Such easement shall remain in full force and effect so long as the encroachment shall continue.

ARTICLE VII – THE ASSOCIATION

7.1 Organization. The Association has been or will be organized as a nonprofit corporation under the nonprofit corporation laws of the state of Utah (Utah Code Annotated Titled 16 Chapter 6a, as may be amended from time to time). In the event the Association is at any time administratively dissolved by the State of Utah, the Committee may re-incorporate the Association without a vote of the Owners. The affairs of the Association shall be governed by a Management Committee as provided herein and in the Bylaws.

7.2 Membership. Each Owner during the entire period of Owner's ownership of one or more Units within the Community shall be a member of the Association. The membership shall commence, exist and continue by simply virtue of the ownership, shall expire automatically upon termination of ownership and need not be confirmed or evidenced by any certificate or acceptance of membership.

7.3 Voting Rights. The method of voting shall be as provided in the Bylaws and each Owner shall have such vote in matters of the Association for each Unit owned equal to the percentage of undivided interest in the Common Areas and facilities appertaining to such Unit, as set forth in Article II.

7.4 Powers and Authority of the Association. The Association shall have such powers and duties as may be granted to it or imposed by this Declaration, the Articles of Incorporation, the Bylaws and any applicable statute, as such statute may be amended to expand the scope of association powers, together with its general powers as a corporation, and the power to do any and all things which may be authorized, required or permitted to be done by the Association under and by virtue of this Declaration, including the power to levy and collect assessments and fines as provided in this Declaration. Without in any way limiting the generality of the foregoing, the Association shall have the following powers:

(a) The Committee may delegate by resolution or contract to the Managing Agent any of its powers under this Declaration; provided, however, that the Committee cannot delegate to such Managing Agent the power to execute any contract binding on the Association for a sum in excess of Five Thousand Dollars (\$5,000.00).

(b) The Association may borrow money, provided the assent of a majority of all Owners is obtained prior to mortgaging, pledging or hypothecating any or all of the Association's real property as security.

(c) Telecommunications/Fiber Optic/Related Contracts. Provided the Association already provides such service to the Units, the Committee shall have the power, in its own discretion and subject to federal law, to enter into, accept an assignment of, or otherwise cause the Association to comply with contracts with Telecommunication Service providers and Telecommunication Facilities owners (both, a "Telecommunication Provider"), pursuant to which the Telecommunication Provider serves as the exclusive provider of Telecommunication Services and/or Telecommunication Facilities to each Unit in the Properties, as well as the power to enter into or contract on behalf of the Association for similar bulk rate service contracts of any nature deemed in the Association's best interests. If such service(s) is not already provided to the Units, the prior approval of the Owners shall be obtained by a vote where a majority of the votes cast are cast in favor of the service.

ARTICLE VIII - COMPLIANCE AND ENFORCEMENT

8.1 Compliance. Each Owner, tenant or occupant of a Unit shall comply with the provisions of the Governing Documents and any applicable statute. Failure to comply therewith shall be grounds for an action or suit maintainable by the Association or an aggrieved Owner.

8.2 Remedies. The voting rights of any Owner more than 60 days' delinquent in his or her account with the Association shall be automatically suspended until the account is brought current. Violation of any provisions of the Governing Documents (including failure to timely pay an assessment) or of any decision of the Association made pursuant to such documents, shall give the Management Committee acting on behalf of the Association, the right, but not the

obligation, in addition to any other rights set forth in this Declaration or the Bylaws, or under law, to do any or all of the following after giving notice:

(a) Subject to the provisions of this Declaration, to enter the Unit as to which such violation exists and to summarily abate and remove, at the expense of the defaulting Owner, any structure, thing, or condition that may exist contrary to the intent and meaning of such provisions, and the Management Committee shall not thereby be deemed guilty of any manner of trespass, provided that judicial proceedings shall be instituted before any items of construction may be altered or demolished;

(b) To enjoin, abate, or remedy such thing or condition by appropriate legal proceeding;

(c) To levy fines, and any violation of any express rule, regulation, covenant, restriction, or term of any of the Governing Documents shall be subject to a fine in the amount of \$50 for a first offense and \$100 for subsequent offenses of the same violation or \$10 a day for a continuing violation, or such other amount or amounts as may be determined by the Committee from time to time by resolution. A subsequent violation of the same specific type occurring within 12 months of a prior violation shall be deemed the same violation for the purpose of notice and shall be subject to an immediate fine without further warning or notice. Any hearing to protest or dispute a fine shall be conducted in accordance with the standards promulgated by resolution of the Committee from time to time, or if none, in accordance with the standards determined by the Committee at the hearing itself (which need not be written);

(d) To terminate the right to receive utility or other services paid for by the Association, and to terminate the right of access to and use of recreational and service facilities of the Association until the correction of the violation has occurred;

(e) To suspend the voting rights of a Member, but not for longer than 60 days except in the case of a continuous violation;

(f) To bring suit or action against the Owner on behalf of the Association and other Owners to enforce the Governing Documents and the Association shall be entitled to recovery of its attorneys' fees and costs in such case.

8.3 Action by Owners. Subject to any limitation imposed under this Declaration, the Bylaws, or Utah law, an aggrieved Owner may bring an action against such other Owner or the Association to recover damages or to enjoin, abate, or remedy a thing or condition by appropriate legal proceedings.

8.4 Injunctive Relief. Nothing in this section shall prevent an Owner, the Association, or other interested party from resort to a court of competent jurisdiction in those instances where injunctive relief may be appropriate. In such an action, the violation of any covenants or restrictions in the Governing Documents shall be presumed to cause irreparable harm to the Association and its members.

8.5 Notification of First Mortgagee. The Management Committee shall notify in writing any first Mortgagee of any individual Unit of any default in performance of the terms of this Declaration by the Unit Owner which is not cured within sixty (60) days provided such Mortgagee has requested in writing to be so notified.

ARTICLE IX - INSURANCE

9.1 Association Insurance.

9.1.1. Property and Liability Insurance. The Association shall maintain a master insurance policy which includes: (1) blanket property insurance with not less than 100% of the full replacement cost for the physical structures in the condominium project, including common areas and facilities, limited common areas and facilities, and units, and including fixtures, improvements and betterments to a unit made by a unit owner, insuring against all risks of direct physical loss commonly insured against, including fire and extended coverage perils; and (2) liability insurance having at least a One Million Dollar (\$1,000,000.00) limit per total claims that arise from the same occurrence, including medical payments insurance covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common areas and facilities.

A. The Association's property insurance shall include coverage for any fixture, improvement, or betterment installed by a Unit Owner to a Unit or to a Limited Common Area, including a floor covering, cabinet, light fixture, electrical fixture, heating or plumbing fixture, paint, wall covering, window, and any other item permanently part of or affixed to a Unit or to a Limited Common Area element associated with a Unit.

B. Each unit owner is an insured person under the Association's property insurance policy. Each unit owner is an insured person under a liability insurance policy that the Association obtains, but only for liability arising from: (i) the unit owner's ownership interest in the common areas and facilities, (ii) maintenance, repair, or replacement of common areas and facilities, and (iii) the unit owner's membership in the Association.

9.1.2. Fidelity Insurance or Bond. The Association shall obtain and maintain adequate fidelity coverage to protect against dishonest acts by its officers, members of the Committee, employees, and all others who are responsible for handling funds of the Association, including any property manager. Such fidelity coverage shall: (i) name the Association as an obligee; (ii) not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or managing agent, as the case may be, at any given time, and shall in no event be in an amount less than three months assessments on all Units plus reserves; (iii) contain an appropriate endorsement(s) to the policy to cover any persons who serve without compensation if the policy would not otherwise cover volunteers, and to cover the Association's management agent, if the Association has delegated some or all of the responsibility for the handling of funds to a management agent; (iv) provide that coverage may not be canceled or substantially modified (including cancellation for nonpayment of premiums) without at least ten (10) days prior written notice to the Association or any insurance trustee.

9.1.3. Flood Insurance. If any portion of the Project is deemed to be located within an

area which has been officially identified by the Secretary of Housing and Urban Development as having special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program, the Association shall be required to obtain and pay the premiums upon a “master” or “blanket” policy of flood insurance on the buildings and any other property covered by the required form of policy in an amount deemed appropriate by the Association but not less than the lesser of: (a) the maximum coverage available under the NFIP for all buildings and other insurable property within the condominium to the extent that such buildings and other insurable property are within an area having special flood hazards; or (b) 100% of current replacement cost of all such buildings and other insurable property within such area.

9.1.4. Directors and Officers (D&O) Insurance. The Association shall purchase and maintain insurance on behalf of any person who was or is a Committee member or officer of the Association, and any other person the Association is required by law or contract to indemnify, against any liability asserted against him or her or incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability under the laws of the State of Utah, as the same may hereafter be amended or modified.

9.1.5. Other Insurance. The Association shall obtain such other insurance if and to the extent required by law or as the Committee deems necessary from time to time, such as workers' compensation insurance.

9.1.6. Loss Not Exceeding Deductible. If, in the exercise of the business judgment rule, the Management Committee determines that a covered loss is likely not to exceed the policy deductible of the Association and until the covered loss exceeds the deductible of the property insurance of the Association and a claim is submitted to the property insurance insurer of the Association: (i) for a unit to which a loss occurs, the unit owner's policy is considered the policy for primary coverage for the damage to that unit; (ii) the Association shall pay for any loss for any common areas and facilities for which a loss occurs; (iii) a unit owner who does not have a policy to cover the damage to that unit owner's unit is responsible for that unit damage and the Association may, as provided herein, recover any payments the Association makes to remediate that unit, and (iv) the Association need not tender the claim to the Association's insurer.

9.1.7. The Association shall set aside an amount equal to the amount of the association's property insurance policy deductible or \$10,000, whichever is less.

9.1.8. An insurer under a property insurance policy issued to the Association shall adjust with the Association a loss covered under the Association's policy.

9.1.9. Loss Due to Fault of Another. This Declaration does not prevent a person suffering a loss as a result of damage to property from asserting a claim, either directly or through subrogation, for the loss against a person at fault for the loss, except that, notwithstanding the foregoing, an insurer under a property insurance policy or liability insurance policy obtained by the Association waives the insurer's right to subrogation under the policy against: (a) any person residing with the unit owner, if the unit owner resides in the unit, and (b) the unit owner.

9.1.10. Power of Attorney, Insurance Trustee. The Association may enter into an

insurance trust agreement with a trustee (the “Insurance Trustee”) who shall thereafter have exclusive authority to negotiate losses under any policy providing property or liability insurance and to perform such other functions as are necessary to accomplish this purpose. By purchasing a Unit, all Owners appoint the Association or any Insurance Trustee designated by the Association as attorney-in-fact for the purpose of purchasing and maintaining the insurance specified in this section, including: (1) the collection and appropriate disposition of the proceeds thereof; (2) the negotiation of losses and execution of releases of liability; (3) the execution of all documents; and (4) the performance of all other acts necessary to accomplish such purpose. By purchasing a Unit, all Owners appoint the Association or any trustee designated by the Association as attorney-in-fact for the purpose of representing the Owners in condemnation proceedings or negotiations, settlements, and agreements with the condemning authority for acquisition of the Common Areas, or part thereof, by the condemning authority.

9.1.11. The Association, or insurance trustee if any, shall to hold any proceeds of insurance in trust for unit owners and their first mortgage holders as their interests may appear. The policies required herein for the Association must provide that they may not be cancelled or substantially modified without at least ten (10) days prior written notice to the Association and to each holder of a first mortgage listed as a scheduled holder of a first mortgage in the policies. No policies shall require that contributions or assessments may be made against borrowers, FNMA, FHLMC, or the designee of FNMA or FHLMC. Loss payments shall not be contingent upon action by the carrier's board of directors, policyholders, or members. The policies shall include: (1) a waiver of the right of subrogation against unit owners individually, (2) that the insurance is not prejudiced by any act or neglect of individual unit owners which is not in the control of such owners collectively.

9.1.12. The Association shall use generally acceptable insurance carriers. Specific requirements for qualifications of insurance carriers may be found in the FNMA Conventional Home Mortgage Selling Contract Supplement and the FHLMC Sellers Guide.

9.2. Unit Owner Insurance Responsibility. For units, the Association’s policy is primary but the unit owner is responsible for the deductible as follows:

9.2.1. If a loss occurs that is covered by the Association's policy and by a unit owner's policy, the Association's policy provides primary insurance coverage, but the unit owner is responsible for the deductible of the association of unit owners, and Coverage A of the unit owner's policy applies to that portion of the loss attributable to the policy deductible of the Association.

9.2.2. If a unit, or limited common area element appurtenant to a unit, suffers damage as part of a covered loss, the unit owner is responsible for an amount calculated by applying the percentage of total damage resulting in a covered loss that is attributable to unit damage for that unit to the amount of the deductible under the Association's policy. If a unit owner does not pay the amount required within 30 days after substantial completion of the repairs to, as applicable, the unit or the limited common area appurtenant to the unit, the Association may levy an assessment against a unit owner for that amount.

9.2.3. The deductible amount under the Association's policy is subject to change from time to time by the Management Committee without amendment of this Declaration. The

Association shall provide notice to the unit owners of any change in the amount of the deductible.

9.2.4. The Association's policy does not cover the contents of a unit or a unit owner's personal property. Each unit owner is strongly encouraged to obtain insurance coverage for contents of their unit, as well as for coverage in the event the owner has to pay the Association's deductible as provided above

ARTICLE X - AMENDMENT AND DURATION

10.1 Amendments. Except as provided in Section 10.2 below, any and all of the conditions, restrictions, charges and terms contained in this Declaration may be annulled, waived, changed, modified or added to through a duly adopted amendment to this Declaration.

(a) How Proposed. Amendments to the Declaration shall be proposed to the membership only by the Management Committee, either on its own initiative or after it receives a written request to do so signed by Owners holding twenty percent (20%) or more of the voting rights of the Association. The proposed amendment must be reduced to writing and shall be included in the notice of any meeting at which action is to be taken thereon or attached to any request for approval of, or consent to, the amendment.

(b) Approval Required. This Declaration may be amended if such amendment is approved by Owners holding sixty percent (60%) of the voting rights of the Association, subject to the approval of Eligible Holders as required herein. Notwithstanding anything herein to the contrary, the Governing Documents may be amended by the Management Committee without approval of the Members if necessary to comply with FHA or other regulatory or lending guidelines or restrictions in order to facilitate the ability to secure financing for the sale of Units.

(c) Execution and Recordation. An amendment shall not be effective until the amendment is certified by the president of the Association as being adopted in accordance with this Declaration and is acknowledged and recorded in the appropriate County Recorder's Office.

10.2 Duration and Termination. This Declaration and the Project shall continue and remain in full force and effect until there is recorded an instrument directing the termination of this Declaration after the vote and approval of (i) seventy-five percent (75%) of all of the Owners of the Units, and (ii) sixty-seven percent (67%) of the votes of Eligible Holders. Any such termination shall become effective only if a certificate of the president and secretary of the Association, certifying that termination as of a specified termination date has been approved in the manner required herein, is duly acknowledged and recorded in the County Recorder's Office.

ARTICLE XI – MORTGAGEE RIGHTS

11.1 Approval Required. In addition to any other approvals required by this Declaration or the Bylaws, the prior approval of fifty-one percent (51%) of the Eligible Holders (based upon one vote for each Mortgage owned) must be obtained for the following:

(a) The abandonment, termination, or removal of the Property from the provisions of this Declaration, except when provided by law in the case of substantial destruction by fire or

other casualty or in the case of a taking by condemnation or eminent domain;

(b) The addition of Common Property;

(c) Any material amendment to this Declaration or the Bylaws. Except for an amendment to the Declaration or Bylaw if its purpose is to correct technical errors or to clarify, a change to the following would be considered as material: (1) Voting rights; (2) The funding of reserves for maintenance, repair, and replacement of the Common Areas; (3) Changing general responsibility for maintenance and repairs (excluding minor changes); (4) Redefinition of any Unit boundaries; (5) Convertibility of Units into Common Property or vice versa; (6) Expansion or contraction of the project, or the addition, annexation, or withdrawal of property from the project; (7) Insurance or fidelity bond; (8) Restoration or repair of the project (after a hazard damage or partial condemnation) in a manner other than that specified in this Declaration or the Bylaws; (9) Any action to terminate the legal status of the project after substantial destruction or condemnation occurs; (10) Assessments, assessment liens, or subordination of such liens; (11) Rights to use of Common Areas; (12) The interest in the general or limited Common Area; (13) Leasing of Units; (14) Imposition of any right of first refusal of similar restriction on the right of a Unit Owner to sell, transfer, or otherwise convey his or her Unit; (15) Change by the Association from professional management to self-management and vice versa; (16) Any provisions that expressly benefit mortgage holders, insurers, or guarantors; or

(d) Use of hazard insurance proceeds for losses to any planned community property, whether to Units, for other than the repair, replacement, or reconstruction of such improvements, except as provided by statute in cases of substantial loss to the Units.

11.2 Additional Rights. In addition to the approvals required above, each mortgagee (or beneficiary of a trust deed or vendor and including guarantors) shall have the following rights:

(a) Right to Examine Books and Records. All mortgagees shall have the right to examine the books and records of the Association upon reasonable notice and at reasonable times; (b) Right to Annual Reports. All mortgagees shall, upon written request, be entitled to receive an annual financial statement of the Association within ninety (90) days following the end of any fiscal year of the Association; (c) Right to Receive Written Notice of Meetings. The Association shall give all mortgagees, upon written request, written notice of all meetings of the Association, and such mortgagees shall be permitted to designate a representative to attend all such meetings.

11.3 Request for Approval of Mortgagees. If an Eligible Holder's consent is a condition for amending the Declaration or Bylaws, then, subject to Subsection (4) of this Article, the Eligible Holder's consent is presumed if: (a) written notice of the proposed amendment or action is sent by certified or registered mail to the Eligible Holder's address provided to the Association by such Eligible Holder; (b) 60 days have passed after the day on which notice was mailed; and (c) the person designated for receipt of the response in the notice has not received a written response from the Eligible Holder either consenting to or refusing to accept the amendment or action.

11.4 Rights of Eligible Holders. In addition to the approvals required and the rights provided above, each Eligible Holder shall have the following rights:

(a) Right to Receive Written Notice of Meetings. The Association shall give all Eligible Holders written notice of all meetings of the Association, and such Eligible Holders

shall be permitted to designate a representative to attend all such meetings.

(b) **Right to Notice of Proposed Amendments.** All Eligible Holders, upon written request to the Association, will be entitled to timely written notice of any proposed amendment effecting a change in: (1) the boundaries of any Unit or the exclusive easement rights appertaining thereto; (2) the interests in the general or limited Common Areas appertaining to any Unit or the liability for common expenses appertaining thereto; (3) the number of votes in the Association appertaining to any Unit; or (4) the purposes to which any Unit or the Common Areas are restricted.

(c) **Other Rights to Notice.** All Eligible Holders, upon written request to the Association, will be entitled to timely written notice of: (1) any proposed termination of the condominium regime; (2) any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Unit on which the Eligible Holder holds a Mortgage interest; (3) any delinquency in the payment of assessments or charges owed by the Owner of a Unit subject to a Mortgage of the Eligible Holder, where such delinquency has continued for a period of 60 days; (4) any lapse, cancellation or material modification of any insurance policy maintained by the Association.

ARTICLE XII - MISCELLANEOUS PROVISIONS

12.1 Premises Liability. The Association and the Management Committee are and shall remain wholly free and clear of any and all liability to, or claims by, all Unit Owners and all persons and entities, of whatever kind or character, whether sounding in contract or tort, deriving from the occurrence of any injury or damage to any person or property on, or in respect of the use and operation of, the Common Area or any of its improvements, fixtures, and facilities and a Unit Owner shall defend, indemnify and hold harmless the Association and Management Committee against such claim, loss or liability asserted by such Unit Owner or his or her guest, invitee, licensee, tenant, or visitor. In this respect, it shall be the affirmative duty and responsibility of each Unit Owner and user of the Common Area facilities to continuously inspect the same for any defects or perils or other unsafe conditions or circumstances, prior to and during such use or enjoyment thereof; and all users of, and visitors to, the Common Area and its improvements and facilities shall use, enjoy, and visit, the same at their own risk and peril.

12.2 Priority of Governing Documents. To the extent possible under the law and in light of the requirement of the Act that organizational documents for a nonprofit corporation shall not conflict with the rights and obligations found in the declaration and bylaws, in the event of any conflict between or among this Declaration and any other Governing Document, the document in the highest priority beginning with the first document listed hereinafter shall prevail (as to any such conflict) over any later listed document: this Declaration, the Articles of Incorporation, Bylaws, Rules and Regulations.

12.3 Interpretation. All questions of interpretation or construction of any of the covenants or restrictions in the Governing Documents shall be resolved by the Management Committee, and its decision shall be final, binding and conclusive on all parties affected for all purposes. The covenants, restriction and terms of this Declaration are to be interpreted broadly to give effect to the Association's role as the governing body of the Community and to grant all the powers

necessary for management of the common property, administration of the servitude regime, carrying out other functions set forth herein, and furthering the purposes of the Association. The enumeration of specific items, acts, rights, or powers in this instrument does not limit or restrict and is not to be construed or interpreted as limiting or restricting, the general powers granted to the Association or Committee except where powers are expressly restricted.

12.4 Recovery of Costs and Attorney Fees. The Association shall be entitled to recover its costs and attorney's fees incurred for enforcement of this Declaration regardless of whether any lawsuit or other action is commenced. Such costs and attorney's fees shall automatically be and constitute an assessment against the Owner and the Unit. Additionally, the prevailing party shall be entitled to its attorney fees and costs in any dispute concerning any Governing Document, including an action dealing with the declaration of rights and obligations thereunder with or without a defaulting party, whether such costs and expenses are incurred with or without suit; before or after judgment; in any appeal; in any bankruptcy or receivership proceeding; or in connection with any alternative dispute resolution proceeding.

12.5 Invalidity; Number; Captions. The invalidity of any part of this Declaration shall not impair or affect in any manner the validity, enforceability, or effect of the balance of this Declaration. As used herein, the singular shall include the plural and the plural the singular. The masculine and neuter shall each include the masculine, feminine, and neuter, as the context requires. All captions used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Declaration.

12.6 Joint Owners. In any case in which two or more persons share the ownership of any Unit, regardless of the form of ownership, the responsibility of such persons to comply with this Declaration shall be a joint and several responsibility and the act or consent of any one or more of such persons shall constitute the act or consent of the entire ownership interest; provided, however, that in the event such persons disagree among themselves as to the manner in which any vote or right of consent held by them shall be exercised with respect to a pending matter, any such person may deliver written notice of such disagreement to the Management Committee, and the vote or right of consent involved shall then be disregarded completely in determining the proportion of votes or consents given with respect to such matter in accordance with the Bylaws.

12.7 Lessees and Other Invitees. No damage to, or waste of the Common Areas or any part thereof shall be committed by any Owner or any Unit occupant, guest, invitee, lessee of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by any such person. Lessees, invitees, guests, Unit occupants, contractors, family members and other persons entering the Property under rights derived from an Owner shall comply with all of the provisions of the Governing Documents restricting or regulating the Owner's use, improvement or enjoyment of such Owner's Unit and other areas within the Property. The Owner shall be responsible for obtaining such compliance and shall be liable for any failure of compliance by such persons in the same manner and to the same extent as if the failure had been committed by the Owner.

12.8 Waiver, Precedent and Estoppel. No restriction, condition, obligation or provision contained in this Declaration or rules and regulations adopted pursuant hereto shall be deemed to

have been abrogated or waived by the Association, the Management Committee or any Owner by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur and any failure to enforce the same shall not be deemed to constitute precedent or estoppel impairing the right of the Association, Management Committee or Owner as to any similar matter.

12.9 Notice of Sale or Lease. Immediately upon the sale, rental or other conveyance of any Unit, the Owner shall promptly inform the secretary or manager of the name and address of said grantee or tenant. The Management Committee may for all purposes act and rely on the information concerning Owners and Unit ownership which is thus acquired by it and the address of each Owner shall be deemed for all purposes to be the address of the Unit owned by such Owner unless the Management Committee is otherwise advised in writing.

12.10 Person to Receive Service of Process. The person designated to receive service of process on behalf of the Project, in the cases provided by the Utah Condominium Ownership Act, is the registered agent of the Association, as that agent may be designated by the Association from time to time and as reflected in the records of the Utah Division of Corporations and Commercial Code.

ARTICLE 2 – ASSOCIATION MEETINGS, VOTING, QUORUM

2.1 Place of Meeting. The Association shall hold meetings at such suitable place as may be designated by the Management Committee from time to time.

2.2 Annual Meetings. Each regular annual meeting of the members shall be held each year on the day and at a time and place within the state of Utah selected by the Management Committee.

2.3 Special Meetings. The Association, by and through the Management Committee, shall notice, hold and conduct a special meeting of its members on call of (1) the Management Committee, or (2) if the Association receives one or more written demands for the meeting that state the purpose or purposes for which the meeting is to be held, and are signed and dated by members in good standing holding at least 25% of the voting rights of the Association. When a special meeting is demanded by the members, the Committee shall set the time and date for the meeting so that the meeting occurs within 65 days of receipt of the demand and if notice of the meeting is not given by the Committee within 30 days after the date the written demand is delivered to an Association officer, a person signing the demand may set the time and place of the meeting and give notice pursuant to the requirements herein. Business transacted at a special meeting shall be confined to the purposes stated in the notice of the meeting.

2.4 Notice of Meetings. Written notice of each meeting of the members shall be given by, or at the direction of, the Secretary or person authorized to call the meeting, in a fair and reasonable manner, including by delivering a copy of such notice to each member entitled to vote thereat, in accordance with the notice requirements specified in these Bylaws, and sufficiently in advance of the meeting to provide fair and reasonable notice of the meeting, as determined by the Committee. Notice shall always be deemed fair and reasonable if given 10 days before the meeting, but shorter notice may also be fair and reasonable when all the circumstances are considered. The notice shall specify the place, day and hour of the meeting, and must include a description of any matter that must be approved by the members and, in the case of a special meeting, the purpose of the meeting.

2.5 Voting. Each Unit shall be allocated such vote in the affairs of the Association equal to the percentage of undivided interest in the Common Areas and facilities appertaining to such Unit. The Management Committee shall be entitled to vote on behalf of any Unit which has been acquired by or on behalf of the Association, except the Management Committee shall not be entitled to vote such Units in any election of Committee members.

2.6 Proxies, Absentee Ballots and Rights of Mortgagees.

2.6.1 Proxies. A vote may be cast in person or by proxy. A proxy given by an Owner to any person who represents the Owner at meetings of the Association shall be in writing, dated and signed by such Owner and shall be filed with the secretary in accordance with procedures adopted by the Committee by resolution or as stated in the notice of the meeting. A proxy shall be valid for, and only for, the meeting (and any adjournment of the meeting) for which it was solicited, unless otherwise expressly stated in the proxy; however, no proxy may be valid for more than eleven (11) months after the date of execution. No proxy shall be valid if it purports to be revocable without notice. An Owner may not revoke a proxy given except by actual notice of revocation to the person presiding over a meeting, or to the Committee if a vote is being conducted by written ballot in lieu of a meeting. Every proxy shall automatically cease upon sale of the Unit.

2.6.2 Absentee Ballots. A vote may be cast by absentee ballot.

2.6.3 Mortgagee Rights. An Owner may pledge or assign the owner's voting rights to a

Mortgagee. In such a case, the Mortgagee or its designated representative shall be entitled to receive all notices to which the owner is entitled hereunder and to exercise the owner's voting rights from and after the time that the Mortgagee shall have given written notice of the pledge or assignment to the Management Committee. Any first Mortgagee may designate a representative to attend all or any meetings of the Association.

2.7 Fiduciaries and Joint Owners.

(a) Fiduciaries. An executor, administrator, guardian, or trustee may vote in person or by proxy, at any meeting of the Association with respect to any Unit owned or held in such capacity, whether or not the same shall have been transferred to his or her name; provided, that the person shall satisfy the secretary that he or she is the executor, administrator, guardian, or trustee holding the Unit in such capacity.

(b) Joint Owners. Whenever any Unit is owned by two or more persons jointly, according to the records of the Association, the vote of the Unit may be exercised by any one of the Owners then present, in the absence of protest by a co-owner. In the event of a protest, no one co-owner shall be entitled to vote without the approval of all co-owners. In the event of disagreement among the co-owners, the vote of the Unit shall be disregarded completely in determining the proportion of votes given with respect to the matter.

2.8 Quorum of Owners.

(a) At any regular annual meeting of the Association, the Members that are represented for any purpose at the annual meeting shall constitute a quorum, except for matters requiring a higher quorum as provided in the Declaration or these Bylaws. For any other meeting of the Association, including special meetings or action by written ballot, and except as otherwise provided in the Declaration or these Bylaws, Members holding thirty-three percent (33%) of the voting rights, represented in person, by proxy, or by written ballot, shall constitute a quorum. If any meeting or vote of Members cannot be organized because of a lack of quorum, the meeting may be adjourned to a time at least 48 hours from the time of the meeting at which a quorum was not present and Members holding twenty percent (20%) of the voting rights, represented in person, by proxy, or by written ballot, shall constitute a quorum at such adjourned meeting or vote.

(b) The subsequent ratification of an Owner of the action taken at a meeting shall constitute the presence of the person for the purpose of determining a quorum. When a quorum is once present to organize a meeting it cannot be broken by the subsequent withdrawal of an Owner.

2.9 Binding Vote. Action on a matter other than the election of directors is approved and shall be binding upon all owners for all purposes if a quorum exists and the votes cast favoring the action exceed the votes cast opposing the action, unless a greater number of affirmative votes is required by the Governing Documents.

2.10 Order of Business. The order of business at annual meetings of the Association shall be

according to the order established by the President, and by way of example, may include the following: (a) Calling of the roll and certifying of proxies; (b) Proof of notice of meeting or waiver of notice; (c) Reading of minutes of preceding meeting; (d) Reports of officers; (e) Reports of committees, if any; (f) Election of Committee members; (g) Unfinished business; (h) New business; and (i) Adjournment.

2.11 Meeting Procedure. Rules of order may be adopted by resolution of the Management Committee, otherwise, the President shall conduct meetings according to the procedure he or she deems fit and shall have absolute authority to fix the period of time allowed for the registration of Owners and the filing of proxies, to determine the order of business to be conducted at such meeting and to establish reasonable rules for expediting the business of the meeting (including any informal or question and answer portions thereof). A decision of the Association may not be challenged on the basis that appropriate rules of order were not used. All informalities or irregularities in calls or notices of meetings and in the manner of voting, credentials, and methods of ascertaining those present shall be deemed waived by those present if no objection is made at the meeting.

2.12 Election Inspectors. The Committee, in advance of any meeting of the Members, may appoint an election inspector or inspectors to act at such meeting (and at any adjournment thereof). If an election inspector or inspectors are not so appointed, the President may, or upon request of 10% of the Members entitled to vote at the meeting will, make such appointment. If any person appointed as an inspector fails to appear or to act, a substitute may be appointed by the President. If appointed, the election inspector or, inspectors (acting through a majority of them if there be more than one) will determine the Members entitled to vote, the authenticity, validity and effect of proxies and the number of Members represented at the meeting in person and by proxy; they will receive and count votes, ballots and consents and announce the results thereof, which announcement of results, as reflected in the minutes of the meeting, shall be conclusive evidence of such results for all purposes; they will hear and determine all challenges and questions pertaining to proxies and voting; and, in general, they will perform such acts as may be proper to conduct elections and voting with complete fairness to all Members.

2.13 Action by Written Ballot in Lieu of a Meeting. Any action that may be taken at any annual, regular, or special meeting of Members may be taken without a meeting if the Association causes to be delivered a written ballot to every Member entitled to vote on the matter not less than fourteen (14) days prior to the date on which the ballots must be received by the Association in order to be counted. A written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; specify the time by which a ballot must be received by the Association in order to be counted; and be accompanied by written information sufficient to permit each person casting such ballot to reach an informed decision on the matter. In the event

the action is for election of Committee members, there shall be space on the ballot to write in nominations. Action taken under this section has the same effect as action taken at a meeting of Members and may be described as such in any document. The Management Committee may elect to conduct a vote pursuant to this section by a secrecy procedure whereby a written ballot is accompanied by: (1) a secrecy envelope; (2) a return identification envelope to be signed by the owner; and (3) instructions for marking and returning the ballot. Written ballots that are returned in secrecy envelopes may not be examined or counted before the deadline for returning ballots has passed.

2.14 Action without Notice and a Meeting. Any action required to be taken or which may be taken at a meeting of Members may be taken without a meeting and without prior notice if one or more consents in writing, setting forth the action so taken, are signed by Members having not less than the minimum voting power that would be necessary to authorize or take the action at a meeting at which all Members entitled to vote on the action were present and voted. All such writings must be received by the Association within a sixty day period. Any such writing may be received by the Association by electronically transmitted facsimile or other form of communication providing the Association with a complete copy thereof, including a copy of the signature thereto. Action taken pursuant to this section shall be effective when the last writing necessary to effect the action is received by the Association, unless the writings describing and consenting to the action set forth a different effective date.

ARTICLE 3 - MANAGEMENT COMMITTEE – SELECTION, TERM OF OFFICE

3.1 Number, Term and Qualifications.

(a) The affairs of the Association shall be governed by a Management Committee composed of three (3) Committee members.

(b) Members of the Management Committee shall serve for a term of two (2) years. The terms shall be staggered so all Committee members are never elected in the same year.

3.2 Vacancies. Vacancies on the Management Committee, caused by any reason other than the removal of a Committee member by a vote of the Association, shall be filled for the balance of the term by vote of a majority of the remaining Committee members even though they may constitute less than a quorum. Each person so elected shall be a Committee member until a successor is elected upon expiration of the term for which the person was elected by the other Committee members to serve.

3.3 Removal of Committee members.

(a) At any annual or special meeting, any one or more of the Committee members, other than interim Committee members, may be removed, with or without cause, by a majority of the voting interests of the Members. A successor may be elected at that meeting to fill the vacancy thus created. The notice of the meeting must state that the removal is to be considered and any Trustee whose removal has been proposed by the owners may be given an opportunity to be heard at the meeting.

(b) The Management Committee may declare the office of a member of the Management Committee to be vacant in the event such member is absent from three (3) consecutive regular meetings of the Management Committee or from more than 25% of the regular meetings held in any 12 month period, or, within 24 hours of a request to take action without a meeting, more than twice in any 6 month period fails to respond in writing by (1) voting for the action, (2) voting against the action, or (3) abstaining from voting and waiving the right to demand that action not be taken without a meeting. The vacancy shall be filled as provided in Section 3.2 above.

3.4 Compensation. No Committee member shall receive compensation for any service he or she may render to the Association as a Committee member. However, any Committee member may be reimbursed for actual expenses incurred in the performance of his or her duties.

3.5 Action Taken Without a Meeting. The Committee shall have the right to take any action in the absence of a meeting which they could take at a regular or special meeting if all the Committee members agree in writing to take a vote or an action without a meeting. The action being taken shall not require unanimous consent of the Committee. Any action so taken shall have the same effect as though taken at a meeting of the Committee members.

ARTICLE 4 - NOMINATION AND ELECTION OF MANAGEMENT COMMITTEE MEMBERS

4.1 Nomination.

(a) Method of Nomination. Nomination for election to the Management Committee shall be made in the manner determined by the Management Committee, which may include a Nominating Committee and/or nominations from the floor at a meeting. If one is established, the Nominating Committee shall make as many nominations for election to the Management Committee as it shall in its discretion determine, but not less than the number of vacancies.

(b) Nominating Committee. The Nominating Committee, if any, shall consist of a chairman, who shall be a member of the Management Committee; and one or more members of the Association.

4.2 Election. At the election, the members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.

ARTICLE 5 - MEETINGS OF MANAGEMENT COMMITTEE

5.1 Organizational Meeting.

(a) Location, Date and Time. The first meeting of a newly-elected Management Committee shall be held within fourteen (14) days of election at such place, date and time as shall be fixed by the Committee members at the meeting at which the Committee members were elected and no notice shall be necessary to owners or to the newly elected Committee members

in order to legally hold the meeting providing a majority of the elected Committee members are present.

(b) **Procedure and Business.** Until the election of new officers, the meeting shall be chaired by the outgoing president, or in the absence of such person, the outgoing secretary, regardless of whether the outgoing president or secretary is as member of the newly constituted Committee. At the organizational meeting, the Management Committee shall elect officers in accordance with Section 7.2 below and may conduct any other Association business.

5.2 **Regular Meetings.** Regular meetings of the Management Committee shall be held at such place and hour as may be fixed from time to time by the Committee, and if so fixed, no notice thereof need be given. Should the meeting fall upon a legal holiday, then that meeting shall be held at the same time on the next day which is not a legal holiday, or at another date and time agreed upon by the Management Committee with notice to all members of the Management Committee.

5.3 **Special Meetings.** Special meetings of the Management Committee shall be held when called by the president of the Association, or by any two (2) Committee members, after not less than three (3) days notice to each Committee member by mail, electronic mail, telephone, or facsimile, unless waived pursuant to 5.7 below. The notice must state the time, place, and purpose of the meeting.

5.4 **Meeting Procedure.** Unless other rules of order are adopted by resolution of the Management Committee: (a) Meetings of the Management Committee shall be conducted by the President; (b) A decision of the Management Committee may not be challenged because the appropriate rules of order were not used; (c) A decision of the Management Committee is deemed valid without regard to any procedural errors related to the rules of order unless the error appears on the face of a written instrument memorializing the decision.

5.5 **Open Meetings; Executive Sessions.**

5.5.1 **Open Meetings.** Except as provided in subsection 5.5.2, all meetings of the Management Committee shall be open to Unit Owners. However, no Owner shall have a right to participate in the Management Committee meeting unless the Owner is also a member of the Committee. The president or Committee shall have the authority to exclude an Owner who disrupts the proceedings at a Committee meeting.

5.5.2 **Executive Sessions.** In the discretion of the Committee, the following matters may be considered in executive session:

- (a) Consultation with legal counsel concerning the rights and duties of the Association regarding existing or potential litigation or criminal matters;
- (b) Personnel matters, including salary negotiations and employee discipline;
- (c) The negotiation of contracts with third parties;
- (d) Collection of unpaid assessments; and
- (e) Other matters of a sensitive, private, or privileged nature at the discretion

of the Committee.

5.5.3 Executive Session Procedure. Except in the case of an emergency, the Management Committee shall vote in an open meeting whether to meet in executive session. If the Committee votes to meet in executive session, the president or other presiding officer shall state the general nature of the action to be considered and, as precisely as possible, when and under what circumstances the deliberations can be disclosed to owners. The statement, motion or decision to meet in executive session must be included in the minutes of the meeting.

5.6 Meetings by Telephonic or Electronic Communication. In the event of an emergency, or by decision of the Committee, meetings of the Management Committee may be conducted by telephonic communication or by the use of a means of communication that allows all members of the Management Committee participating to hear each other simultaneously or otherwise to be able to communicate during the meeting.

5.7 Waiver of Notice. Any Committee member may, at anytime, waive notice of any meeting of the Management Committee in writing, and the waiver shall be deemed equivalent to the giving of the notice. Attendance by a Committee member at any meeting of the Committee shall constitute a waiver of notice by the Committee member, except where the Committee member attends the meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. If all Committee members are present at any meeting of the Committee, no notice to Committee members shall be required and any business may be transacted at the meeting.

5.8 Quorum and Acts. At all meetings of the Management Committee a majority of the existing Committee members shall constitute a quorum for the transaction of business and the acts of the majority of the Committee members present shall be the acts of the Management Committee. If, at any meeting of the Management Committee, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such adjourned meeting any business which might have been transacted at the meeting as originally called may be transacted without further notice.

For purposes of determining a quorum with respect to a particular proposal, and for purposes of casting a vote for or against a particular proposal, a Committee member may be considered to be present at a meeting and to vote if the Committee member has granted a signed written proxy: (i) to another Committee member, or other person, who is present at the meeting; and (ii) authorizing the other Committee member or person to cast the vote that is directed to be cast by the written proxy with respect to the particular proposal that is described with reasonable specificity in the proxy (a directed proxy).

ARTICLE 6 - POWERS, RIGHTS, AND DUTIES OF THE MANAGEMENT COMMITTEE

6.1 General Powers and Duties. The Management Committee shall have the powers and duties necessary for the administration of the affairs of the Association and may do all such acts and things as are not by law, the Declaration or by these Bylaws directed to be exercised and

done by the Owners.

6.2 Specific Powers. In addition to powers granted by the Declaration, these Bylaws or by resolutions of the Association, the Utah Revised Nonprofit Corporation Act or other applicable law, the Management Committee shall have the power to: (a) declare the office of a member of the Management Committee to be vacant in the event such member shall be absent from three (3) consecutive regular meetings of the Management Committee; (b) in the Management Committee's discretion, appoint such committees as deemed appropriate in carrying out its purpose.

6.3 Best Interest of Association and Reliance on Information. A Committee member or officer shall discharge the Committee member or officer's duties (a) in good faith, (b) with the care an ordinarily prudent person in a like position would exercise under similar circumstances, and (c) in a manner the Committee member or officer reasonably believes to be in the best interests of the Association. The Management Committee members shall, at all times, keep themselves reasonably informed and take such steps and necessary actions as a reasonable, prudent person would do to serve the best interest of the Association.

In discharging duties, a Committee member or officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (a) one or more officers or employees of the Association whom the Committee member or officer reasonably believes to be reliable and competent in the matters presented, (b) legal counsel, a public accountant, or another person as to matters the Committee member or officer reasonably believes are within the person's professional or expert competence, or (c) in the case of a Committee member, a sub-committee of the Association or Management Committee of which the Committee member is not a member if the Committee member reasonably believes the sub-committee merits confidence.

ARTICLE 7 - OFFICERS AND THEIR DUTIES

7.1 Designation and Qualification.

(a) **Designation.** The principal officers of the Association shall be a president, a vice-president, a secretary and a treasurer. The Committee may designate the office of assistant treasurer and assistant secretary and the Board may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Board may, from time to time, determine.

(b) **Qualifications.** The president and vice-president shall be a member of the Management Committee, but the other officers need not be Committee members or Owners. Any Committee member may be an officer of the Association.

(c) **Multiple Offices.** A person may simultaneously hold more than one office.

(d) **Special Appointments.** The Committee may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Committee may, from time to time, determine.

7.2 Election and Vacancies. The officers of the Association may be elected by the

Management Committee at the organizational meeting of each new Committee or any Management Committee meeting thereafter to serve until their respective successors are elected at the next organizational meeting. If any office becomes vacant by reason of death, resignation, removal, disqualification or any other cause, the Management Committee shall elect a successor to fill the unexpired term.

7.3 Resignation. Any officer may resign at any time by giving written notice to the Management Committee, the president or the secretary. The resignation shall take effect on the date of receipt of the notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of the resignation shall not be necessary to make it effective.

7.4 Removal of Officers. Officers shall hold office at the pleasure of the Management Committee. Upon an affirmative vote of a majority of the members of the Management Committee any officer may be removed, either with or without cause.

7.5 Compensation of Officers. No officer who is a member of the Management Committee may receive any compensation from the Association for acting as an officer, unless the compensation is authorized by a vote of the Owners. The Management Committee may fix any compensation to be paid to any officers who are not also Committee members.

7.6 Duties of Officers.
