Overview

Overview Notes

| | |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CHUTE PLACEMENT | Place Chute next to white line on road. This will give extra space for teams to spectate. Use extra cones to keep all teams behind the chute and runner path |
| PARKING INSTRUCTIONS | Parking is one way traffic |
| TRAFFIC CONCERNS | This is a high speed road. Regular traffic should not be impeded at all by race activities. Place Ped fencing on white line of road to keep runners and crowds off the road |
| VAN/RUNNER FLOW | Runners should be held so that vans can turn in and out of the parking lot with ease |
| PORT-A-POTTIE PLACEMENT | Toilets should face the direct of the school. |
| PRIVATE PROPERTY CONCERNS | This a boarding school, runners should be kept out of the school and behind at all costs |
| OTHER DETAIL NOTES | Exchange Bin, Binder, and cones on site should be cleaned up and stacked by Portable toilets for Course Set Up to pick up once the exchange has closed |
