Record description from Warranty Deed Entry No. 2952039 was rotated and adjusted to fit existing fence line evidences which match existing subdivision boundaries. Ties to existing Section corners in this Plat have been adjusted by current Weber County published bearings. 5250 North Street was established by using previously recorded Subdivision's and observed evidence of fence lines. West line was held to the existing fence line and coincides with the East boundary of Parcel 6 in Record of Survey #4530. The South boundary line of the deed of record fit the North line of John Montgomery Subdivision and the Western part of the North line of Rainbow View Triacres Subdivision but left a gap towards the East end of this deed and said Rainbow View Triacres Subdivision. Per request from the Weber County Surveyor's office the Easterly line of this subdivision was extended South to fit the North line of said Rainbow View Triacres Subdivision.

Basis of bearing is state plane grid from monuments as shown.
