EASEMENT AGREEMENT FOR SKI BRIDGE

This EASEMENT AGREEMENT ("Agreement") is made this ____ day of _____ 2013, by and between Weber County Corporation, a political subdivision of the State of Utah ("Grantor"), and SMGH Phase I, LLC, a Delaware limited liability company, its successors and assigns ("Grantee").

RECITALS

A. Grantor is the owner of a public road located in Weber County, Utah, commonly known as "Summit Pass."

B. Grantee is the owner of certain real property on either side of Summit Pass, located in Weber County, Utah, more particularly described on Exhibit "A" attached hereto and incorporated herein by this reference ("Grantee's Property"). **[Drafting note: include all of Phase 1]**

C. To provide use of a bridge over Summit Pass ("Ski Bridge") for year round access between portions of Grantee's Property, Grantee desires an easement over a portion of Summit Pass. The location in which the Ski Bridge is or shall be constructed is more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference (the "Easement Property"). The Easement Property is also depicted visually on Exhibit "C" which is attached hereto and incorporated herein by this reference.

D. On the terms provided for in this Agreement, Grantor has agreed to provide Grantee with an easement over, across and through the Easement Property.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Grantee hereby agree as follows:

AGREEMENT

1. Grant of Easement. Grantor hereby grants to Grantee and the Benefited Parties (defined below) a perpetual non-exclusive easement over, across, and through the Easement Property for pedestrian and vehicular ingress, egress and access as may be reasonably necessary for trail construction, maintenance and grooming, and skiing, cycling, hiking, and other recreational activities (the "Easement"). As necessary for construction, maintenance, and grooming of any trails, the Easement shall include use of and access to Summit Pass.

2. Bridge Construction and Maintenance. Grantor has constructed, or shall within _____ (____) months of the granting of this Easement construct, the Ski Bridge within the Easement Property of sufficient size and quality to provide for the uses described in Section 1 above. Grantor shall coordinate the timing and design of all construction and maintenance of the Ski Bridge with Grantee so as not to unreasonably interfere with Grantee's use of the Easement Property. Grantor shall maintain the bridge in good condition and repair at its sole expense.

3. Easement Appurtenant to Grantee's Property. The Easement shall be appurtenant to and run with the land and constitute a portion of the Grantee's Property and each part thereof. It is anticipated that the trails over the Ski Bridge will be part of the ski and trail facilities for the Powder Mountain ski resort ("Ski Resort"). Moreover, Grantee's Property may be subdivided into multiple, separately owned residential lots. Accordingly, the Easement shall be for the use and benefit of the following parties (the "Benefited Parties"): (a) Grantee and its transferees, successors and assigns, including all future owners of Grantee's Property and any homeowners association owning any portion of Grantee's Property; (b) all employees, contractors, subcontractors, agents, licensees, and invitees of Grantee, its transferees, successors and assigns; and (c) the owner and/or operator of the Ski Resort and its employees, contractors, subcontractors, agents, licensees, and invitees. In furtherance of the foregoing, Grantee has the right to convey, transfer, and assign the Easement, or grant sub-easements in gross to the owners association governing the owners of the residential lots within Grantee's Property, and the owner or operator of the Ski Resort for the purposes of allowing for the use of this Easement as part of the recreational facilities within the Ski Resort. In the event Grantee assigns all of its rights and obligations hereunder to the owners association governing the owners of the residential lots within Grantee's Property, Grantee shall be relieved of its duties and obligations hereunder.
