Steven-  
Here is the verbiage for seeding.

We intend to use either Utah Seed LLC or Granite Seed who have both done forest service work. They both use a custom blend of seed most mostly constitutes a mixture of their "Cabin Seed" and "Mountain Wild Flower" blends.

The forest service recommends the spring season for timing...

Spring seeding can be conducted from March 15<sup>th</sup> – June 1<sup>st</sup>, and fall seeding can be done from August 15<sup>th</sup> – October 15<sup>th</sup>

Below is the basic map for our parking spots.
