To Whom it may concern:

Nordic Mtn. Water, Inc. currently has sufficient water connections to supply the subdivision as proposed by Michael Mayra known as Harmony Ranch Eden Holdings, LLC to include 16 home sites just north of the Nordic Valley Ski Resort.

At this time, Mr. Mayra, representing this subdivision, has not entered into any agreement with Nordic Mt. Water, Inc. concerning water services for his proposed subdivision, thus no connections are guaranteed.

Sincerely

Bill D. Green
