

UNITED STATES
DEPARTMENT OF THE INTERIOR
BUREAU OF RECLAMATION
OGDEN RIVER PROJECT
SOUTH OGDEN HIGHLINE CANAL PIPELINE

LICENSE AGREEMENT
BETWEEN THE
UNITED STATES OF AMERICA
AND
T-MOBILE WEST CORPORATION

THIS LICENSE AGREEMENT, made this 27th day of June 2011, in pursuance of the Act of Congress of June 17, 1902 (32 Stat. 388), and acts amendatory thereof or supplementary thereto, particularly the Reclamation Project Act of 1939 (53 Stat. 1187), between the UNITED STATES OF AMERICA, acting by and through the Bureau of Reclamation, Department of the Interior, hereinafter referred to as the "United States", represented by the officer executing this agreement, hereinafter referred to as the "Contracting Officer", T-MOBILE WEST CORPORATION, hereinafter referred to as the "Licensee",

WITNESSETH THAT:

WHEREAS, the Licensee, at its sole cost and expense, proposes to utilize the Ogden River Project (Project) lands, State of Utah; and the granting of a License Agreement to utilize a portion of the Project lands in a manner and at the location hereinafter described will not be incompatible with Project purposes;

NOW, THEREFORE, in consideration of the mutual agreements and covenants herein contained, the United States, to the extent of its interest in the Project lands, hereby grants to the Licensee, upon the terms hereinafter provided, a license for the following purpose and in the location described below:

- A. Purpose: To replace an existing power pole for the support of telecommunications antennas and to construct operate and maintain an 13.5-foot by 25-foot concrete slab with and related support equipment as shown and in the areas described on EXHIBITS B and C.
- B. Period: 25 years from date hereof.
- C. Locations: At approximate station 290+10 on the South Ogden Highline Canal Pipeline and adjoining Reservoir 20. 4700 South Glasmann Way, Ogden, Utah.

D. Plans, Drawings, or Maps (Attached Hereto and made a Part Hereof): EXHIBITS A, B and C.

E. Land Status: Fee Title.

1. WORK SATISFACTORY. The Licensee shall perform all work under this License Agreement in accordance with the plans, drawings, or maps attached hereto and in a manner satisfactory to the United States and Ogden River Water Users Association (Association).

2. RIGHTS RESERVED. This License Agreement and all rights hereunder shall be held by the Licensee at all times subject to the rights of the United States. Jurisdiction and supervision of the United States over the concerned lands are not surrendered or subordinated by issuance of this License Agreement. The United States reserves the right to issue additional licenses, rights-of-way, or permits for compatible uses of the lands involved in the License Agreement; provided, however, any such license, right-of-way, or permit shall be conditioned on such licensee, grantee, or permittee paying Licensee's expenses to relocate its facilities as may be required for such compatible use. There is also reserved the right of the United States, its officers, agents, employees, licensees, and permittees, at all proper times and places freely to have ingress to, passage over, and egress from all of said lands for the purpose of exercising, enforcing, and protecting the rights reserved herein.

3. HOLD HARMLESS.

a. The United States, the Association, and their officers, agents, employees, and assigns do not assume any liability resulting from the granting of this License Agreement or the exercise thereof and Licensee agrees to indemnify and hold the United States, the Association, and their officers, agents, employees, and assigns harmless for injury or damage to any persons or property that may result from the exercise of any of the privileges herein conferred or the work performed hereunder.

b. The Licensee further agrees that the United States, the Association, and their officers, agents, employees, or assigns, shall not be held liable for any damage to Licensee's improvements or works by reason of the exercise of the rights herein reserved; nor shall anything contained in this paragraph be construed as in any manner limiting other reservations in favor of the United States contained in this License Agreement.

4. RELEASE FROM LIABILITY. The Licensee hereby releases the United States, the Association, and their officers, employees, agents, or assigns, from liability for any and all loss or damage of every description or kind whatsoever which may result to the Licensee from the construction, operation, and maintenance of Project works upon said lands, provided that nothing in this License Agreement shall be construed as releasing the United States and the Association from liability for their own negligence. Nothing herein shall be deemed to increase the liability of the United States beyond the provisions of the Federal Tort Claims Act, Act of

June 25, 1948, 62 Stat. 989 (28U.S.C. § 1346 (b), 2671 et seq.) or other applicable law.

5. INTERFERENCE PROHIBITED

The Licensee shall use, occupy, and maintain said facilities with due care to avoid damage to Project lands or any interference in any way with the operation and maintenance of the same.

6. ASSIGNMENT OR TRANSFER. This License Agreement shall not be assigned or transferred by the Licensee without the prior written consent of the United States.

7. TERM OF LICENSE - TERMINATION. The United States, at its option, may terminate this License Agreement for nonuse of the licensed lands by the Licensee for a period of five (5) continuous years. All rights granted to the Licensee under this License Agreement are subject to termination upon failure of Licensee to comply with the terms of this License Agreement.

8. SUCCESSORS IN INTEREST OBLIGATED. This License Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

9. NO WARRANTY. The United States makes no warranty, expressed or implied, as to the extent or validity of the grant contained herein.

10. COVENANT AGAINST CONTINGENT FEES. The Licensee warrants that no person or selling agency has been employed or retained to solicit or secure this License Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial agencies maintained by Licensee for the purpose of securing business. For breach or violation of this warranty, the United States shall have the right to annul this License Agreement without liability or in its discretion to require the Licensee to pay, in addition to the License Agreement consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

11. OFFICIALS NOT TO BENEFIT. No Member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this License Agreement or to any benefit that may arise herefrom, but this restriction shall not be construed to extend to this License Agreement if made with a corporation or company for its general benefit.

12. ENVIRONMENTAL COMPLIANCE. The Licensee agrees to abide by all applicable Federal, State, and local laws and regulations pertaining to pollution control and environmental protection.

13. LANDSCAPE PRESERVATION AND NATURAL BEAUTY.

a. The Licensee shall exercise care to preserve the natural landscape and shall conduct its construction operations so as to prevent any unnecessary destruction, scarring, or defacing of the natural surroundings in the vicinity of the work. Except where clearing is required for permanent works, all trees, native shrubbery, and vegetation shall be preserved and shall be protected from damage which may be caused by the Licensee's construction operations

and equipment. Movement of crews and equipment within the area described in Article C hereof and over routes provided for access to the work shall be performed in a manner to prevent damage to grazing land, crops, or property.

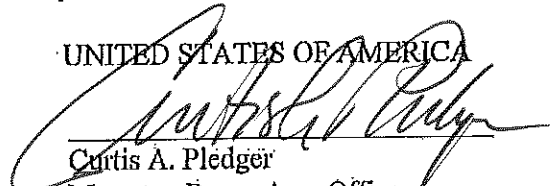

b. Upon completion of the work, the construction site shall be smoothed and graded in a manner to conform to the natural topography of the landscape and shall be repaired, replanted, reseeded, or otherwise corrected as directed by the Contracting Officer at the Licensee's expense.

14. EXTRAORDINARY MAINTENANCE OR REPAIR COSTS. The Licensee agrees that if the construction, reconstruction, maintenance, or repair of any or all project structures and facilities located on such lands should be made more expensive by reason of the existence of improvements or works of the Licensee thereon, Licensee will pay to the United States, the Association, or their agents or assigns responsible for Project operation and maintenance, the full amount of such additional expense within 30 days of receipt of an itemized bill therefore.

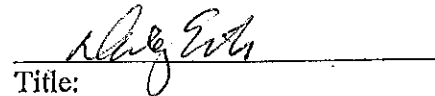

15. SPECIAL PROVISIONS. The Licensee agrees that no substantial change or alteration shall be made in the design, location, construction or capacity of said telecommunications station until application for such change shall have been submitted to and approved in writing by the officer granting this license, his successors or authorized representative.

IN WITNESS WHEREOF, the parties hereto have caused this License Agreement to be executed the day and year first above written.

EXHIBIT A

A. For and in consideration of the License Agreement herein granted, Licensee agrees to pay the United States the following amounts:

(1) The sum of [REDACTED] which amount represents administrative expenses incurred by the United States in issuing this License Agreement.

(2) The sum of [REDACTED] per month, which amount represents appraised fair market value of the rights granted herein. Payments are to be made by the 15th of each month to the Bureau of Reclamation at 302 East 1860 South, Provo, Utah 84606-7317.

B. Prior to the expiration of the term of this License Agreement, and upon application in writing by Licensee and approval by the United States and the Association, this License Agreement may be renewed for an additional 25 year period. If so renewed, the consideration to be paid for renewal will be determined by reappraisal by the United States. Furthermore, the renewed License Agreement will be subject to the regulations existing at the time of renewal and such other terms and conditions as may be deemed necessary by the United States and the Association to protect the public interest or its projects.

C. Existing gravity drainage of the United States rights-of-way must be maintained. No new concentration of surface or subsurface drainage may be directed onto or under the United States rights-of-way without adequate provision for removal of drainage water or adequate protection of the United States rights-of-way.

D. During construction, operation, and maintenance, the Licensee shall be particularly alert to take all reasonable and necessary precautions to protect and preserve historic or prehistoric ruins and artifacts on or adjacent to the lands herein described. Should sites, ruins, or artifacts be discovered during these operations, the Licensee will immediately suspend work involving the area in question, and advise the United States of suspected values. The Licensee shall promptly stop work in the area and report this discovery to the Provo Area Office Archaeologist at 801-379-1000, who will have the area inspected to determine significance of values and who will consult with the State Historic Preservation Office and pertinent tribes. Cost of any recovery work shall be borne by the Licensee. The Licensee shall provide the United States with a copy of any cultural resources survey reports concerning sites located on the lands described herein and shall develop a mitigation plan acceptable to the Utah State Historic Preservation Officer (SHPO) for those significant sites subject to an adverse impact. All objects of antiquity recovered from public lands are the property of the United States and shall be turned over to the Bureau of Reclamation.

E. Any contractor or individual constructing improvements in, on, or along United States rights-of-way must limit his construction to the encroachment structure previously approved and construct the improvements strictly in accordance with plans or specifications.

F. All United States land areas where soils and surface materials are disturbed through actions incident to construction, operation and maintenance shall be restored to their natural state insofar as practical by water barring, scarifying, leveling and reseeding, or other practices as prescribed by the United States and to its satisfaction.

G. The Licensee shall restore any damaged or disturbed improvements such as fences, roads, watering facilities, etc., encountered during construction, maintenance, and operation. Functional use of these improvements must be maintained at all times.

H. If unusual conditions are proposed for the encroaching structure or unusual field conditions within United States rights-of-way are encountered, the United States reserves the right to impose more stringent criteria than those prescribed herein.

I. No use of United States lands or rights-of-way shall be permitted that involve the storage of hazardous material.
