General Application Information & Instructions

The Special Event Permit Application Form can be found online by visiting Weber County's homepage and then navigating to the Special Events page through the Recreation tab. The Special Event Application Form may also be found by going directly to: www.webercountyutah.gov/Spec_Events/

The Special Event Permit Application Form can be filled out online (fillable pdf.) and printed or picked up locally at the Weber County Community Development Department. Pick up and submit all applications to:

Weber County Community Development
Attn: Special Events
444 24th Street
Ogden UT 84401-1473
FAX (801) 625-3699

For other submittal arrangements or more information, please call (801) 399-8769 or (801) 625-3850. For the Weber County Special Event Code, please go to: https://library.municode.com/ut/weber_county/codes/code_of_ordinances?nodeId=PTICOR_TIT38SPEV

To provide adequate review time, please submit all Special Event applications at least forty-five (45) days prior to the event, and/or setup date if applicable. Late applications may not be approved.

Depending on the needs and characteristics of a Special Event, additional fees may be charged by the Weber County Sheriff's Office, Weber Fire District, Weber-Morgan Health Department, County Parks & Recreation, and/or any other County agencies that provide services, equipment, or facilities. If additional fees are necessary, they will be specified during the Special Event permit application process. If the use of County services, equipment, or facilities require the execution of an agreement or contract, the event organizer must contact the appropriate County agency to make arrangements early. All (additional) fees must be paid directly to the applicable agency prior to any Special Event being approved.

Application Review Process and Tracking:

The Special Event application review process will begin when the event organizer submits a complete Special Event Application Form, site plan/map, insurance certificate, required plans, and a non-refundable application fee. Upon acceptance of the application, the County Special Event Coordinator (SEC) will become your primary contact person. In addition to being able to work directly with the SEC and the individual review agencies, you'll be given instruction on how to create an account and follow your Special Event review process on the County's project tracking system known as Miradi. You may be contacted directly by the review agencies or be notified, through Miradi, if your Special Event application needs to be supplemented with additional information. It is important that you "follow" your Special Event review process in Miradi and respond to review comments that are made. You will not respond through Miradi, but will respond directly to the review agency or provide the necessary information to the SEC so that the information can be uploaded into the Miradi system.

Please be aware that, in cases where your Special Event could affect Federal or State property/facilities, you'll be asked to contact the applicable agency (e.g., U.S. Forestry, U.D.O.T, etc.) and provide proof that the agency is aware of the event or approves of the event.

Non-refundable Application Fee:

The application fee is \$345.00 for a large Special Event (over 200 people) and \$290.00 for a small Special Event (200 or less people). See Weber County Code Section 38-1-7(d) for fee exemption information. You may access fee exemption information at: https://library.municode.com/ut/weber_county/codes/code_of_ordinances?nodeId=PTICOR_TIT38SPEV_S38-1-7SAEE

Please keep in mind that acceptance of a Special Event application does not constitute an approval of the event.

Cancellation Policy:

If an event must be cancelled, the event organizer must contact the SEC and provide written notice so that the cancellation information can be distributed and uploaded to Miradi. The event organizer must also directly contact all agencies that are providing services, equipment, and/or facilities.

Only those authorized and acting as the event organizer will be able to make changes to the application or cancel an event.

Section VIII – Security & Safety

Public Safety Services:

The County, as part of an event approval, may impose conditions in order to protect public and private property, ensure the proper management of traffic, and reduce the possibility of a public safety resource shortage in the community.

The event organizer may request the use of the Weber County Sheriff's Office resources or the County may require the use of Sheriff's Office resources if the Special Event warrants a moderate to high level of police protection. A fee, in addition to the Special Event application fee, will be charged by the Sheriff's Office and the cost may be based on number of officers needed, type and quantity equipment required, event date, time, location, and length, anticipated traffic and weather conditions, estimated number of participants and spectators, and the nature, format, and configuration of the event.

The event organizer must contact the Weber County Sheriff's Office to coordinate the use of County resources and fees must be paid prior to the issuance of the special event permit.

For Weber County Sheriff's Office participation information visit, email, or call:

Section IX - Emergency Services

Fire Prevention Plan:

All events are required to submit a fire prevention plan and be available to coordinate the review of the plan with the Weber Fire District if necessary. An additional fee may be charged for fire prevention services and equipment provided by the Weber Fire District.

Please describe any possibility of igniting a fire and the event's plan for preventing, mitigating, and suppressing a fire:

The only areas with the possibility of fire are the start line where the generator powering the small sound system is located, and where the food trucks will be cooking. Stratus Events will ensure that a fire extinguisher is placed in proximity to the generator and that a person is on hand to use it in case of emergency. All staff whether at the start/finish line will be shown the location of the extinguisher before the event starts on Saturday morning. In addition there will be another fire extinguisher in proximity to the food trucks on site which staff will be shown before hand as well. Nowhere else on the course, including the aid stations, will have the possibility of a fire starting as there will be no generators and/or electricity used.

Emergency Medical Plan:

All events are required to submit an emergency medical plan and be available to coordinate the review of the plan with the Weber Fire District if necessary. An additional fee may be charged for medical services and equipment provided by the Weber Fire District.

The level of medical service that is available at an event is dependent upon the size and type of event. The minimum plan for providing medical services for small events, with a low medical risk, may be the designation of an event staff member who can call 9-1-1 and is certified in CPR. Events that are larger and/or have a higher medical risk may be required to provide more services such as paramedic, ambulance, advanced life support, and on-site physician.

It is responsibility of the event organizer to ensure that all medical support personnel, whether paid or volunteer, are familiar with the Utah Health Code and have the appropriate licensing, certifications, and insurance to provide services at a Special Event.

Emergency medical plans should include but are not limited to:

- Name, contact number, and certification type/level for all medical services providers.
- Description of communication type/method.
- Description or illustration (on Special Event site plan/map) of first aid and/or other medical service or staging locations.
- Description or illustration (on Special Event site plan/map) of medical evacuation strategies and/or staging locations.

Please describe any likely medical condition(s) that can result from the event and describe the event's plan for prevention, treating conditions/providing medical services, and evacuation:

Rolled ankles, and scraps are the only likely medical conditions runners might face during this event. If an injury more serious should occur during the event, staff will be on hand to deliver any minor medical treatment that may be needed.

There are four aid station areas strategically placed along the course that will be stocked with first aid kits should they be required. additionally we will have one EMT-A certified search and rescue person on hand and one person CPR/CNA Certified who will available to go to any of the four aid stations where assistance might be needed. In the unlikely event an attendee becomes seriously injured on the mountain, they will be able to call a dedicated line where staff can then deploy to the spot the person is located and escort them off the mountain and driven to McKay-Dee Hospital, located approx. .75 Miles - 2.5 miles from any trail head intercepting the course. If the Injury is so severe that the person can not be escorted off the mountain, search and rescue will be notified by staff and staff will lead them to the precise location of the injured person where they can then be taken a short ways to McKay-Dee or Ogden Regional Hospitals. All runners agree to carry their cell phone on their person at all time with the dedicated phone number (given at registration) to call in case of emergency. Though this is unexpected due to the nature of the persons who will be participating in this event. Everything will be clearly laid out in the pre-race wavier that participants are required to sign before being registered for this event.

NOTE: To assist in determining the appropriate level of medical services for an event, please refer to the table on page 14.

Section XI - Proof of Insurance

Insurance:

The host organization and/or event organizer must submit a certificate of insurance, listing the County as an additional insured, on an occurrence policy issued by an insurance company authorized to do business in Utah, showing comprehensive general liability and property damage coverage in the minimum amount of:

1. \$1,000,000.00 for injury or death for one person in any one occurrence; and
2. \$3,000,000.00 for injury or death for two or more persons in any one occurrence; and
3. \$500,000.00 for property damage in any one occurrence.

Section XII - Miscellaneous

Animals:

If animals will be present, food service canopies/tents/areas must be located at least fifty (50) feet away. The event organizer is required to provide hand-washing stations near animal attractions or enclosures.

Will there be any kind of animals at this event (i.e. petting zoo, pony rides, etc)? ☐ Yes ☒ No
If yes, please illustrate the location of all animal attractions and enclosures on the Special Event site plan/map.

Indemnification Agreement

Host organization and event organizer(s) agree to defend, indemnify, and hold harmless Weber County and its employees and volunteers from any injury or death to any person or damage to any property including all reasonable costs for investigation and defense thereof (including but not limited to, attorney fees, investigation costs, expert witness costs, etc.) arising out of the issuance of applicant's Special Event Permit regardless of where the injury, death, or damage may occur.

Host organization and event organizer further agree to provide and maintain, during the proposed special event, the appropriate comprehensive general liability insurance and property damage coverage in an amount required by Weber County Code.
