

Gun Range Zoning Text Amendments Proposal  
Property located approximately: 9400 W 1000 S Reese, Utah 84404  
"Shooter's Paradise"

We propose a public shooting range with the following details:

1. Necessary safety precautions to protect shooters, bystanders, and the general public will be taken.
2. A shooting range for rifles with approximately 20 shooting stations and targets.
3. A shooting range for shotguns with approximately 20 shooting stations and targets.
4. A shooting range for pistols with approximately 20 shooting stations and targets.
5. An archery range for bows and other archery equipment with approximately 20 shooting stations and targets.
6. A weapons training course which may include a walkthrough firing course, that may be used by law enforcement or private citizens. All safety precautions to protect shooters, bystanders, and the general public will be taken.
7. The range may offer an entrance fee or membership to visitors who intend to use the range.
8. As per our due diligence necessitates, at this time we are simply looking for a pre-approval letter.
9. Artist renderings and engineering specifics will be provided as project progresses.
