Kraig,

As we discussed, CWSID does not have a pipeline through that area. The map below shows the approximate location of our pipelines. Please note that the city may have sewer through this area that is not shown on our map.

Thanks,
James

James,

Here is the plat for the GVH Distribution project. I have circled the property line that will be vacated. Will you just confirm per our conversation that you don't have any sewer in this area that would be affected?

Thanks,
