Re: Brandy Malan Subdivision Review Comments

Mike,

Here are the responses to the comments per your review.

1. All comments on the PDF have been addressed.
2. 1. The proposed name of the subdivision is on the drawing.
2. Does not apply. This is not part of a larger parcel.
3. Names of developer and surveyor are on the drawing.
4. Contours are added to the preliminary drawing.
5. Bearing and distances are shown.
6. The width of highway 162 is now shown.
7. There will be no changes to the existing utilities for this parcel.
8. There are no proposed streets.
9. Does not apply. No percolation test was required.
10. There are no proposed improvements.
3. A deferral will be submitted.
4. Highway 162 is shown as 80' ROW.
5. The note has been added.
6. There is an easement shown for the portion of the ditch that lies on this property.

Thank you,

Tyler Knight
